Home learning

Reading: Please continue to try and read 5 times a week. It is so important! Your child receives a dojo point each time they read, so please make sure you write in their reading records.

Spelling: A new list of red words will be sent out. Please practise reading and writing these words. I will be keeping a look out in their books to spot them spelt correctly!
Ed shed spellings will continue to be set – these will be set fortnightly to provide more opportunities to practice.

Maths: Continue to practise number bonds to 10! E.g. $6 + 4 = 10$. I will occasionally post maths games that your child has enjoyed at school.
A great app to download is the White Rose, 1 minute maths.
