

Term 4: Could your pet live in the South Pole?

Welcome to Term 4 and the excitement has already begun! A penguin was delivered to the classroom with baby penguins for us to hatch from the ice! The Koalas are so excited to learn all about the South Pole.

Reminders:

- Forest school will continue to be on TUESDAYS.
- PE will only be on MONDAY this term. PE will be outside – trainers and jumpers required.
- Please can all items brought into school be labelled!
- Only water in water bottles please!

Key dates:

7th March - World Book Day
10th & 12th March - Parents evening
19th March - Preparing for the phonics screening workshop

Our topic will include...

Why does Easter matter to Christians?

History & Geography

Who was Robert Falcon Scott? Continents and Oceans, Hot and cold places

Art

Inuit art

ICT

Animated stories

PE

Basketball

PSHE

Healthy me

Home learning

Reading: Please continue to read 5 times a week! Your child receives a dojo point each time they read, so please make sure you write in their reading journals!

Spelling: Edshed spellings will continue to be set weekly. Please let your child practise on the games! A new list of red words will also be sent out. Please practise reading and writing these words.

Phonics screening

The phonics screening is soon approaching (June). To help you and your child prepare, I will be hosting a workshop for how to best support your child. I will also be sending home a list of real words and 'alien' words for your child to practise reading. For the screening, it is important for your child to find the 'special friends', 'Fred talk' (sound it out) and then say the word.
