

YEAR 1 TOPIC BASED ACTIVITES – COULD YOUR PET LIVE IN THE NORTH POLE?

<p>What would make a good pet? Which pet would you like? Design your own pet, where would it live, what would it need?</p>	<p>Would you want to live in a hot country or a cold country? Why?</p>	<p>Write a recount about your day!</p>	<p>Research about Robert Scott. Find out about another area of the world.</p>	<p>In your home or garden pretend to be an explorer! What would you need? What might you find? Build a fort in your garden/home – take photos so that Miss Thomas can see your adventure!</p>
<p>What animals live in the North Pole? Can you draw them? What animals live in the South Pole? Can you draw them?</p>	<p>Find out the difference between mammals, fish, birds, reptiles and amphibians.</p>	<p>Choose an animal to research and write a report on. Can you include labels/lists/captions.</p>	<p>Create a fact file for a penguin or polar bear!</p>	<p>Write a postcard to Miss Thomas &amp; Mrs Sugden all about your adventure! Walk to the post office and post it to school!</p>
<p>Create a story about living in the north or south pole! Perform it for your family!</p>	<p>Make a list of all the animals you know</p>	<p>Can you make a boat that floats?</p>	<p>Try some observational drawings.</p>	<p>Draw and label the basic parts of the human body. Which part is associated with each sense?</p>
<p>Write down all the sounds you have learnt. Can you go on a treasure hunt to find something that starts with each sound or has the “special friend” in it.</p>	<p>Find out about insects and see if there are any in your garden. <a href="http://www.buglife.org.uk">www.buglife.org.uk</a> can help you identify what you’ve found.</p>	<p>Read “The Magic Box” by Kit Wright, what would you put in a magic box? Make your own special box.</p>	<p>What are carnivores, herbivores and omnivores?</p>	<p>Bake a cake!! Can you follow a recipe?</p>
