

Eastry Primary School Home Learning
Year 2
Term 4

Listen to your favourite song / a piece of music. Write 5 words or sentences about how it makes you feel!	Write 3 sentences about what you want to achieve by the end of year 2!	Draw and write about 3 things that are really good about your life!
Go outside, be absolutely silent for 1 minute, then draw and label all the things you heard!	What would you like to be different to make the world better? What could you do to help make that happen?	What could you do to make yourself happy when you're feeling a bit grumpy!

Please remember to read your reading book – our aim is 10 minutes, 5 times a week. We also have access to times table Rockstar which is valuable when learning times tables. Spellings will continue to be tested on Friday's – we will also practise these in school.

Please complete between 1 and 3 of these project home learning tasks on or before Monday 29th March 2021 . Please submit your home learning via class dojo by messaging the class teacher. You can choose how to present it. You might want to write something, take photos or upload a video, the choice is yours! We look forward to seeing what you get up to.
