

23<sup>rd</sup> April 2021

This is our home learning grid for **term 5** and is based on our topic, 'The Stone Age and Bronze Age.'

This grid gives a range of learning opportunities across the curriculum and gives you the chance to work as individuals and take your learning to your own level, with a focus on areas of interest. Therefore, you may present your learning in any way that you wish; perhaps a video, photos or written work.

**Have a go at choosing and completing between 1-3 of these activities before 28<sup>th</sup> May 2021 and send your work to me via a class dojo message.**

I cannot wait to see you produce. Have fun!

Miss Leishman 😊

<p><i>I would like to practise a life skill or develop my independence:</i></p> <p>By using my own money to calculate and purchase an item in a shop.</p>	<p><i>I would like to teach my family:</i></p> <p>How Stone Age people lived.</p>	<p><i>I would like to use my science skills:</i></p> <p>To grow a plant from a seed.</p>
