Home learning:

TTRS daily: look in your child's 'practise makes perfect' book to see their heatmap. This informs you which times tables they are secure with and which ones need focusing on.

Edshed: Daily spelling practise. Your child receives a dojo point each time they play! Your child's spellings can also be found in their 'practise makes perfect' book, where they can practise writing them in there.

Reading: 15 minutes x5 a week.

Please ensure your child is completing this at home – it really does make all the difference!

Thank you.
