Dear Year 5 Parents,

Kent Test

Kent Grammar School tests have been arranged for the 9th September, 2021. Should you wish your child to sit the Kent Test you will need to register between 1 June and 1 July, 2021. If you register online and provide an email address, then you will receive your child's assessment decision via email. The date for this hasn't been confirmed but is usually mid-October. If Kent County Council need to change the date of the test due to COVID-19 they will update their website and contact anyone who has registered their child to take the test.

Parents are encouraged to register online, as this will allow Kent to process your details more quickly. Also, once you have your child's results, parents who registered online will be able to apply online for a school place simply by logging on and adding your preferences to the information you have already given them about your child and your address. The link to register is: <https://www.kent.gov.uk/education-and-children/schools/school-places/kent-test#tab-1>

Parents who wish to also register their son for the Dover Grammar School for Boys Test need to register by Monday, 5th July 2021. Parents should complete the application form via this link: <https://bit.ly/3tv3P1P>

Parents who wish to also register their daughter for the Dover Girls Grammar School test need to register with the school. Information about the test for 2021 has not been released. Please keep an eye on their website and when we receive this information we will forward it to you.

We have arranged an additional parents' consultation with Mrs Ward and myself on Friday, 18th June from 1.00pm – 5.00pm. These will be held virtually or via the phone. **Please note this is only for parents who are considering grammar school and not for all the children in Year 5.** Appointments can be made by calling the school or emailing office@eastry.kent.sch.uk and confirming whether you would prefer a phone call or to meet via zoom.

Kind regards
