

Dear parents and carers .

Welcome back to school. I hope that you have all had a good half term holiday .

Below is the plan for our learning for the next term. I am also enclosing our home learning topic grid. Children should complete at least one of the activities by the end of term 2. Home learning or photos of the home learning can be sent to me via class Dojo.

Children will continue to receive spellings each Thursday and will be tested on these the following Thursday. The words should be put in to sentences that show that the children understand the meaning of the word. Please continue to support your children times table practice and Times Table Rockstars will help with this. If you need me to resend the user name and password for your child, then please message me on class Dojo.

Children should be reading at least 5 times a week at home and reading should be recorded in the orange reading record books. The children will be quizzed on each book they read and the results of these quizzes will help us to assess their progress. As I have said before, it is great if they are reading other books but please do not forget the school books.

Children will need to wear their PE kit to school every Friday. We will hopefully be able to be outside for these lessons so they should wear kit that is suitable for colder weather. No football strips please .

I look forward to working with you and your children this term. If you have any concerns about your child's learning then please do not hesitate to contact me.

Best Wishes

Mrs Tracy Inglis

Year 5 Class Teacher

<u>Topic - How successful were the Vikings in their battle to gain control of England?</u>
