

Maths

This term we will be learning about multiplication and division. The children will multiply and divide up to 4 -digit numbers by 1-digit and 2-digit numbers multiplied and divided by 2-digit numbers.

We will then continue to explore fractions. This will include multiplying fractions and finding fractions of an amount.

Times Tables: The children regularly have the opportunity to practise their times tables in school through songs and games. Please help your child learn their times tables at home. It is a tool that will help them to improve so many areas of Maths. Keep up all your amazing participation with Time table Rockstars!

All of the Year 5 team hope you had the most wonderful Christmas, spending quality time together.

Term 3 our topic is: Ancient Greece. This is a fantastic topic which takes us on a learning journey that spans across many subjects including Art, History, Geography, Reading and Writing.

We will be reading a variety of Greek myths and the text 'Who let the Gods out' by Maz Evans.

Science

This term we are learning about; Properties and changes in materials.

Through this topic the children will decide which method of recording our findings will be the most appropriate to use. The children will conduct fair test to see which materials are the good conductors of heat and electricity and which materials are the best insulators.

We will also investigate which materials can be separated and which changes cannot be easily reversed.

French

The children will be focusing on building their language knowledge further. They will have the opportunity to talk using French language associated with 'AS- tu un animal' (Do you have a pet?).

English

During English lessons the children will be developing their understanding on how to 'Write to inform and persuade', which means they will be producing pieces of Non-Fiction writing. The children will be learning about the layout and features of a travel guide and a non-chronological report. They will then have the opportunity to create a persuasive travel guide inviting people to visit Greece.

Punctuation and Grammar

This term, we will be developing our understanding of complex and compound sentences. We will explore and identify relative clauses and pronouns. We will further develop our understanding on how to use commas, brackets and dashes.

History

Through the topic 'Ancient Greeks' children be exploring the legacy of Greek culture on Britain since 1066 (through their art, literature and architecture)

Art

This term, we will be designing and making a paper mache Greek vase.

The children will explore Greek artefacts to support their sketching ideas. They will make their own scratch paper to reveal their design idea, before making their vase.

Computing

ICT will be incorporated into the curriculum. As well as this, the children will be using Purple Mash to create and read spreadsheets.

Reminders:

Please bring your reading book and record into school each day. The expectation is to read for 20minutes 5 x a week, you can do it! Keep checking Class Dojo for regular messages, rewards and photos of our wonderful learning (also found on the school website).

Many thanks for your support from the year 5 team; Miss Ward, Mrs Daniels, Mr Cockram and Mr Kemp
