## Parental Consent Form

Your daughter/son has been chosen to take part in an interactive media workshop as part of a PSHE day focusing on online safety, initiated by the Office of the Kent Police & Crime Commissioner, and delivered by their partners Collaborate Digital Ltd.

During the workshop in school, they will examine and discuss healthy relationships, online harms, cyber safety and the possible consequences for young people their families and friends. As part of the activity, they will write and make podcasts or short videos designed to spread these important messages to other young people.

These media will be entered in competition with other schools; they may be shared on social media and will be used to inform other young people about these important issues.
