Dear Year 6 Parents & Carers,

Admission to Secondary School

I know that your child has only just started in Year 6 but you need to start thinking about which school they transfer to in September 2023.

Further information regarding various Secondary Schools and how to apply can be found at www.kent.gov.uk/secondaryadmissions. Details of Schools open evenings can be found on their individual websites. I would suggest visiting the school during the school day, where possible, to see the school in action. We have been asked to recommend the online application process at www.kent.gov.uk/ola. However, should you require a paper SCAF (Secondary Common Application Form) please contact the school office. (The official closing date for applications is midnight on 31st October 2022).

Mrs Williams and myself will help you with advice on completing the SCAF. We have arranged a general discussion meeting on Wednesday, 21st September at 3.30pm where we will try to answer your queries. This meeting will be held in the school hall.

Kind regards

Sarah Moss
Headteacher
