3rd February 2022

Dear Year 6 Parents,

As part of the children's PSHE lesson this term we have been focusing on those less fortunate than ourselves and how we can help them. The children have chosen to raise money for The Red Cross and in particular the Tongan Appeal following the recent volcanic eruption and tsunami that hit the islands in January.

Next week they will be running a number of fundraising activities including a cake sale on Tuesday and all week they will be collecting spare change on the playground at the end of the school day. If you are able to donate any cakes for the cake sale these would be gratefully received – **please can we ask that a list of all ingredients is include with your donation.**

As well as the above they will also set up a photo booth for year 6 children only on Thursday lunchtime where they can have a photo taken, with their friends, for a donation of 50p-£1.00. Please can you complete, sign and return the slip below to confirm your consent to your child taking part in this activity and potentially a photograph of them being taken home by one of their friends.

Thank you for your support.

Kind regards

Mrs Ginny Harvey
Teacher
