Dear Year 6 Parents and Carers

Re: Your child's attendance during the last few days of term

As we approach the end of the academic year, it is vital that children remain engaged and present in school every day to finish the year successfully.

There are still lots of preparations being made for the Year 6 residential and leavers service plus opportunities to share cherished social times with their peers, helping your child prepare to leave primary school and move onto secondary school.

We want to ensure that everyone finishes the year on a positive note so please make every effort to ensure your child attends school for these final, important days.

Many thanks for your continued support.

Kind Regards

A handwritten signature in blue ink, appearing to read 'S Moss', with a horizontal line extending to the right.
