Dear children,

I wanted to write to you again now I have a little bit more of an update about schools reopening to all children. I'm sure that many of you may have heard either from the news or your adults at home that the government have confirmed that schools will not be opening until 8th March at the earliest. We know that for many of you this is disappointing. We are disappointed too as we miss having you all in school but, at the moment, it's important we continue to follow the rules to keep everyone as safe as possible.

For those of you at home, it has been great to see you in your live meets, and to see the learning you are submitting. From videos to stories, maths problems to paintings we have loved seeing what you have been up to. It can be a challenge to learn at home, away from teachers and friends, but you have impressed us! It really makes our day when we see what you have achieved! Keep it up!

Children in school you have continued to make us proud by adapting to your new bubbles this term and for working hard. You have been following the school rules and getting used to your new routines. Well done.

Yet again children, I have been delighted to see you living out our school values, showing perseverance in you learning, bringing joy to your lessons, welcoming others in your live meets, respecting each other and being compassionate to our community. Keep making yourselves and us proud.

I hope to see you all very soon.

Love

Mrs Moss
