ANTI-BULLYING WEEK

As you will know last week was Anti-bullying week. During the week the school focused on anti-bullying and the strategies the children can use which were discussed in class. Year 5 also presented a Family Worship regarding bullying and every child received a copy of our child friendly Anti-bullying policy to bring home.

The school has received some very positive feedback from children and parents which we would like to share with you in our School News over the coming weeks.

PARKING

Please can I ask all parents to be mindful of our neighbours when parking near the school to drop or collect your children. We have been notified of an incident this week where one of our neighbours was unable to leave their property to get to an emergency because a parent had parked over their drive. Please be aware that there is plenty of free parking in the village which is only a short walk to the school. Thank you to those of you who already help with careful parking at these busy times of the day.
