ECO CLUB NEWS

Dear Students, parents and carers,

Here at eco club we are trying to collect as many bottle caps, mouth wash lids, detergent caps (all along those lines) as possible. We are trying to do this because we are trying to avoid landfill!! and we will give them to Lush (cosmetics place) to use for packaging. We would love it if you could support this project and put your bottle lids in the box outside the office.

What not to give!

Please don't give any pump caps or metal lids for they will not be accepted

Yours Sincerely, Maisy Wilson and the eco club.
