Scooters and Bikes in School

Please can we ask that you ensure your child leaves their bike or scooter in the racks provided at the bottom of the playground and not against the fences as these cause a trip hazard during break times. Please can we also ask that these are taken home every day as the school is not insured for them. Thank you for your co-operation.

EASTER EGG COMPETITION

We thought we would share with you some of the lovely decorated Easter eggs the children have been busy making. The winners will be announced at the end of the week.

INTERNET SAFETY SECTION

Ask your child 'Which apps/games are you using at the moment?' Asking this question will allow you to find out what your child is doing online and encourage positive conversations about their online activity. Ask them how they use the website and take an interest in how they can use it in a positive way and ask them to show you if possible.

SCIENCE DAY

We hope the children will have told you all about the Science Day they took part in yesterday. The day went off with a Bang!

We would like to pass our thanks to the PTA who funded this.
