Friday 17th April 2020

Dear children,

As you might know, we should have been coming back to school from our Easter break. I just wanted to send you a quick letter to say 'hello'. All the teachers miss you; it makes us think how lucky we are to have such a wonderful school usually full of children.

I know that things feel a bit strange at the moment and I know you will be missing your family, friends, teachers and activities you usually do but we can look forward to seeing each other again when it is safer for larger groups to be together. When we return to school, (I have to listen to the experts about when I can open the school to everyone again) we will have a celebration to welcome us all back.

Your teachers and I still care for you and want to know you are ok. Please do send us messages on class dojo or email your teacher on the email below.

Year Group	Teacher email	Day to email
Fledglings	briggs@eastry.kent.sch.uk	Monday
Year 1	cthomas@eastry.kent.sch.uk	Wednesday
Year 2	kfoley@eastry.kent.sch.uk	Friday
Year 3	gharvey@eastry.kent.sch.uk lgleave@eastry.kent.sch.uk	Friday
Year 4	mleishman@eastry.kent.sch.uk	Tuesday
Year 5	tinglis@eastry.kent.sch.uk	Friday
Year 6	cwilliams@eastry.kent.sch.uk	Thursday

I am so proud of the learning you've shared, acts of kindness I have been told about and for the positivity you have shown during the time the school is closed to most pupils. I am also very proud of the children who have to come to school because their parents are keyworkers; for their positivity and great attitude towards the activities in school. I have really seen our school's values of perseverance and respect in action.

I look forward to hearing from you soon, I will keep in touch on class dojo but I will write again too.

Love Mrs Moss
