WEEKLY UPDATE

Half term is fast approaching, and our children are working hard across school. It was superb to finish the announcements of our school leadership roles last week. Well done to every child who took part in preparing, planning and presenting. In line with our British Values, a democratic vote is a great way to empower the children. Alongside the school leaderships positions, each class has a range of jobs and responsibilities that are shared between the children. It is amazing to see the children taking ownership of their classrooms and working hard for each other.

Have a great weekend everyone.

Mr Craig Todd

Arriving at School

Children know that we expect everyone to contribute in class and this means:

- Arrive at school on time
- Use Excellent Walking at all times
- Greet staff and others with a 'good morning' or another polite welcoming phrase
- Hang up coats and put things away in the right place
- Know to sit down at the desk and complete the morning activity and if I need some extra help, speak to one of the adults and they will be happy to help
