WEEKLY UPDATE

Another week has flown by! We are so fortunate to have such fabulous teachers who create incredible learning opportunities for your children.

Following on from last week, we have a solution for X/Twitter that is a great way of celebrating your children's work and experiences. On our school website, there has always been a 'blog' area, which has been left unused. Having explored this further, it is a brilliant way for you to see examples of different experiences your children are immersed in. Please take a look on the school website and see what you think: <https://ecclestonprimary.net/blog>

Thank you for your continued support.

Have a lovely weekend everyone.
 Mr Craig Todd

Ofsted's New Framework: What Parents Need to Know

Ofsted has introduced a new inspection framework to give parents a clearer and more detailed picture of how schools are performing.

No Overall Grade

Schools will no longer receive a single overall judgement such as Outstanding or Good. Instead, each school will receive a Report Card showing how it performs across seven key areas.

New 5-Point Rating Scale

Each area will be judged using the following scale:

- Exceptional – nationally transformational practice
- Strong standard – consistently high quality and making a real difference
- Expected standard – what is expected of a good school
- Needs attention – an improvement plan is required and Ofsted will return within two years
- Urgent improvement – serious concerns needing rapid action

Safeguarding is judged separately as “Met” or “Not met.”

What Ofsted Will Inspect

Schools will be assessed in:

- Inclusion
- Curriculum & Teaching
- Achievement
- Behaviour & Attendance
- Personal Development & Wellbeing
- Leadership & Governance
- Early Years (where applicable)

Primary School

Address: School Lane, Old Town, Home County, HC4 5DF
Unique reference number (URN): EG12345

Example

Inspection report: 25 June 2024

Clearer Reports for Parents

The new Report Cards will explain strengths and areas for improvement in plain language and include helpful context about the school. A colour-coded system, from red (urgent improvement) to blue (exceptional), will make reports easier to understand at a glance.
