WEEKLY UPDATE

What a finish to the term! Sports Day was incredible. Your children were an absolute credit to you all. It was an absolute pleasure to watch everyone putting so much effort and energy into each event. All of the children showed kindness to each other and were very supportive throughout the day. Thank you for getting involved and having such fun together.

Have a restful break, we look forward to welcoming you back on Tuesday 3rd June.

THANK YOU FOR SUPPORTING FEPS

A big thank you to all our families who supported FEPS during Sports Days—whether you grabbed a drink or snack from the tuck shop or treated your little ones to an ice pop after school, we really appreciate it!

Thanks to your generosity, we raised an amazing £140! This will go towards our OPAL play project and help with our wider fundraising efforts to benefit all the children at school.

Thanks again for your support!

Best wishes,
The FEPS Team

Drowning is silent

- A drowning child doesn't splash about or cry for help. They slip quietly under the water, often unnoticed.
- Keep little children in arm's reach whenever they are in or near water.
- Check for ponds, pools and hot tubs if you're visiting new places.
- Talk to older children about the dangers of open water like strong currents, very cold water that can cause shock and objects lurking under the surface.
