Message from the Headteacher

It has been another busy and enjoyable week in school, with lots of wonderful opportunities for our children to learn, connect and contribute to our school community.

We were delighted to welcome families and members of our school community to our Macmillan Coffee Afternoon. It was lovely to see so many of you enjoying tea, cake and good company together. Thank you to everyone who came along and, in particular, for your very generous donations. Your support for such an important cause is greatly appreciated. A special thank you to FEPS for organising the event and helping to make it such a success.

We were also pleased to welcome PC Wright into school this week. PC Wright spoke to the children about protected characteristics, including race, gender and special educational needs and disabilities (SEND). The children were encouraged to think about the importance of respect, equality and inclusion. PC Wright also took the time to answer the many questions the children had about life as a police officer, which they thoroughly enjoyed!

In assembly this week, we marked International Week of Deaf People. The children had the opportunity to learn the British Sign Language (BSL) sign for 'welcome'. This was a lovely opportunity for everyone to learn something new and to reflect on the different ways in which we communicate with one another. We discussed the importance of making sure that everyone feels welcomed, valued and included within our school community.

Thank you, as always, for your continued support. It has been another positive and purposeful week, and I am very proud of the enthusiasm and kindness our children continue to demonstrate each day.

Warmest wishes,
Mrs E Speakman
