School Uniform Policy

Inspiring independent learners to thrive in a changing world

Our uniform policy reflects our values and reinforces our school's culture of high expectations and academic achievement. All pupils must dress according to the uniform policy. Our school uniform is important to us. It is one way in which we identify ourselves as a school community and it promotes a strong, cohesive identity which supports high standards and expectations in all areas of school life. It promotes harmony between different groups represented in the school, and it enhances security.

Smartness and high standards of appearance are expected at all times. We have a required school uniform for several reasons:

- Uniforms unite the school. Pupils make a commitment that when they put on their Eccleston Primary School uniform they will abide by the rules of the community.
- Uniforms reduce distractions. We are focused on achieving success. When pupils are allowed to wear their own clothing, there is the potential to talk about fashions and styles rather than learning.
- Uniforms make us all equal. Whether families have high incomes or low incomes, the pupils come to school looking the same way. No one has to feel bad about the clothes they have or don't have.
- Uniforms look professional. Pupils look neat and ready to learn.

We ask parents and carers to support all decisions by school staff regarding whether or not clothing is appropriate or inappropriate for school.

The school's Governing Body decide the policy for school uniform which is reviewed periodically and request that the policy is adhered to by all families in a consistent way.

Non-compliance with the Uniform Policy

It is the responsibility of all staff to ensure that the school uniform policy is adhered to.

Parents and carers of pupils that do not wear the correct uniform will be contacted and asked to bring the correct uniform into school. If this is not possible then pupils will be provided with the correct item of uniform, they are missing for the day. Persistent and defiant non-compliance with the policy will result in an appropriate sanction.

There may be good reasons why a pupil is not wearing school uniform. In this case, parents and carers should share the reasons with the class teacher either in person or by letter. The school will always be considerate and discrete in trying to establish why a pupil is not wearing the correct uniform.

Pupils will not be made to feel uncomfortable, nor discriminated against, because their parents are unable to provide them with the required items of school uniform. We encourage discussion with the school at the earliest opportunity if there are any difficulties.

There will be occasions when the school decides that school uniform is not appropriate e.g. when taking part in a physical activity day, wearing different clothes as a part of a fund raising event or topic entry point activity day. Parents and carers will be notified in advance of the revised dress code on these days.

Equal Opportunities

All children have equal access to wearing school uniform regardless of their culture, race, religion, gender, disability or ability. We ensure that the set uniform respects other policies such as equality, race relations and sex discrimination.

Eccleston Primary School is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and to achieve their full potential. Minor adjustments to the standard school uniform are accepted for religious reasons but these should be discussed the Headteacher in the first instance.
