Engagement Coach

Leaving Year 11 can be a challenging time for students as well as parents and carers. Throughout the year there are opportunities to meet providers of education, employment and training. This includes a Careers Fair at our Parent Consultation events, guest speakers in Work Skills sessions and group tours of local providers. There is a wealth of opportunity in the local area that can be explored!

Hello Parents and Guardians of Year 11.

My name is Shaan and I am proud to introduce myself as the New Engagement Coach for Post 16 at Educational Diversity. It is my job to provide students with as much information as possible about their options and I do everything I can to help overcome any barriers and concerns they have.

I have a strong relationship with post 16 providers including Blackpool and the Fylde College, Blackpool Sixth Form, Blackpool Community Trust, Myerscough College, The Platform and Rosscon.

This support extends to you as parents and guardians. Please don't hesitate to reach out to me, should you have any queries or concerns of your own for your young person regarding Post16 - I'm always happy to help.

My contact number is 07341479706 and my working hours are Monday to Friday 8.40am to 3pm.

I look forward to supporting pupils on achieving their aspirations!
