

Art LTP - 2022/23

KS3	<p>Purpose of study: We deliver a high-quality art and design education to engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design.</p> <p>Aims: Students produce creative work, exploring their ideas and recording their experiences and becoming proficient in drawing, painting, sculpture and other art, craft and design techniques. Students can evaluate and analyse creative works using the language of art, know about great artists, and understand the historical and cultural development of art.</p> <p>Attainment Targets: By the end of key stage 3, pupils are expected to know, apply, and understand the matters, skills and processes specified in subject content.</p> <p>Subject content: Pupils are taught to use a range of techniques to record their observations in sketchbooks. Pupils learn a range of techniques and media, including painting, to increase their proficiency in the handling of different materials. Pupils analyse and evaluate their own work, and that of others, in order to strengthen the visual impact of their work. They learn about the history of art, craft, design and architecture, including periods, styles and major movements from ancient times up to the present day.</p>
