Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

13th March 2026

Dear Parents and Carers,

I wanted to express my heartfelt thanks for the kind words and thoughtful emails I've received following last week's announcement about my departure. It has meant a great deal to read and hear your messages, especially after sharing how difficult the decision was for me to leave such a wonderful school.

Mother's Day visit for Reception parents

It was lovely to see our Reception children this morning singing and presenting to their parents; the children had a brilliant time.

Netball Y6

Our Y6 children played netball last night at the Academy and came a wonderful 3rd place. A big well done to all the children who took part as well as Miss McAlister who accompanied them.

Explorer Dome

As part of our science week this week, we had the Explorer Dome in school- this dome takes up the majority of space in the hall but it is a wonderful experience for all the children, and they all had so much fun listening and learning about specific science topics.

Animal Encounters Workshop

For another part of science week, we had a wonderful company come in to speak with the children and show them an array of animals- hedgehogs, owls, lizards and snakes to name a few were brought into school for the children to hold, whilst learning about their habitats, species and the importance of looking after animals. The children were very respectful to the animals and their handlers and really enjoyed this hands-on experience.

Y5 residential to Pensarn

From the 16th-20th March I will be away with the Y5's on their residential to Pensarn. In my absence Mrs Sedgwick will be leading the school. If you need to speak with her, please contact the school office to make an appointment, though please be mindful that Mrs Sedgwick has a teaching commitment and therefore may not be able to get back to you quickly.

Year 5- Mrs Yates

Mrs Yates will be starting her maternity leave over the Easter holidays and therefore will finish in her Year 5 class on the 27th March- we all wish her the very best in the coming months and can't wait to meet her new addition.

Following on from that, I am also pleased to announce that after a successful lesson observation and rigorous interview we have appointed Mr Charlie Nanda as the Year 5 teacher after Easter. I am sure you will all welcome him to our school when he starts.

Attendance award

This week's infant award goes to Year 1 with a wonderful 100% attendance, in 2nd place is Reception with 98.5% attendance and in a very close 3rd place is Year 2 with 98.4% attendance.

Our junior winners this week are Year 4 with 98.8% attendance in 2nd place is Year 6 with 98% attendance and in 3rd place is Year 3 with 95% attendance.

A huge well done to Year 1 and Year 4 (again) who receive this week's extra playtime.

Online safety-Streaming

Streaming services are popular with children but autoplay, endless content and personalised recommendations can make screen time spiral. This week's guide explores the risks of streaming and shares practical advice for safer streaming for everyone. Please see the attached guide for more information.

Warm wishes,

Caroline Lowe

Head teacher

Important Diary Dates (new dates in bold * change of date)

PLEASE NOTE THE DATES IN THE SPRING AND SUMMER TERM MAY CHANGE DUE TO OTHER EVENTS THAT MAY ARISE.

Diary dates 2025-2026

Date	Event
Spring Term 2026	
16.3.26-20.3.26	Y5 Pensarn Residential
17.3.26	Y5 parents evening 3.30-4.30pm
19.3.26	Y5 parents evening 3.30-5pm
24.3.26	Parents Evening Reception, Y1-Y6 3.30-5.30pm
26.3.26	Parents Evening Reception, Y1-Y6 3.30-6.00pm
Week beginning 23.3.26	Nursery parents evening
27.3.26	School closes for Easter
Summer Term 2026	
13.4.26	School opens
13.4.26	Bikeability Y4 & Y6
14.4.26	Bikeability Y4 & Y6
21.4.26-23.4.26	Y2 Burwardsley residential
11.5.26-14.5.26	Y6 SAT's week
22.5.26	School closes
1.6.26	School opens
3.6.26	Y5 Safety Central Trip
5.6.26	Y3 Mr Egypt workshop
9.6.26	Y1 trip to Warrington Art Gallery and Museum
11.6.25	Sports Day
17.6.25-19.6.25	Y6 residential

8.7.26	Y6 Leaver's play 6-7pm
10.7.26	Y6 Rounder's Y6 versus parents
Week beginning: 13.7.26	Reports to go out
16.7.26	Y6 Leaver's assembly 9.15am
16.7.26	School closes for summer

17.6.26	Inset day 4
20.7.26	Inset day 5

This week we celebrated science week by exploring magnets and planting. The children learnt about what plants need to grow well and be healthy and strong. They also explored magnetic and non-magnetic materials too! On Thursday we all enjoyed the explorer dome too. What a week!

Year 4 absolutely loved the Explorer Dome this week. The children were very excited to crawl inside the dome and learn all about the human body. They showed great enthusiasm and were keen to share their already impressive knowledge. The experience inside the dome was truly magical and will certainly be something the children remember for a long time.

Some quotes from the children:

"It was 10/10!" – Michael

"It was my first time in the dome and it was very interesting !" - Emily

"I was really curious to see inside the human body and learn more about the digestive system." - Mia B

Year 1 had a fantastic time visiting the Science Dome this week as part of our Science Week celebrations. The theme of the session was the human body, and the children enjoyed learning all about how our bodies work. They explored a model skeleton and talked about the different bones in the body, as well as learning about different types of food and how our intestines help us digest what we eat. The children were incredibly enthusiastic, loved getting involved in the activities, and asked some brilliant questions throughout the session. Well done Year 1!

Marvellous Mummies has been our theme this week in Nursery. The children have taken great pride in telling us all about their wonderful Mummy's. They enjoyed creating a special card to say thank you for all the amazing things you do and to treat you to a brew. We sang a new song 'If you love your Mummy' and the children chose actions and dance moves for their ideas "If you love your Mummy give her a hug". We are sure they will be singing this to you on Sunday. We wish you all a relaxing Mother's Day weekend.
