Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

14th November 2025

Dear Parents and Carers,

We have had a wonderful week here at school, the children have been fully immersed in all aspects of their learning and have some wonderful pieces of work to show off. Mr McKinlay our Chair of Governors visited each class this week and looked at the work that the children were completing. He was very impressed with the great attitude to learning that each class has and the high quality work that is being produced- a massive well done to everyone!

This morning Miss McAlister led an assembly for anti-bullying week; the children were amazing and listened attentively to all the information that was shared.

Y5/6 Football Tournament

Our Y5/6 girls impressed at the Knutsford Academy last night coming in 3rd place overall. A great set of skills were shown- a huge well done girls for stepping up and playing as a team. A big thank you as well to Mrs Elsby for accompanying the children.

Knutsford Light's switch on

Just a reminder that our wonderful choir will be on stage tomorrow at 4.25pm, so please come down if you are free to support our children. The choir sang in our assembly this morning to build up their confidence and sang beautifully- they are a credit to the school.

If you are part of the choir, please remember to meet tomorrow at 4.10pm behind the main stage, wearing our school uniform, but wearing Christmas jumpers, instead of your school cardigan/ jumper.

PTA Film nights

A big thank you to our PTA and the parents who assisted with the smooth running of the film nights on Wednesday and Thursday this week. The children all had a wonderful time.

Book Fair

Our annual book fair is in school from Tuesday 18th November until Friday 21st November. The children will visit the fair in school time, and then should you wish to purchase a book for them, the fair will be open on these nights from 3.20pm-3.45pm. Of the money raised the school get a percentage to spend on books for the school library.

Non-uniform day

Thank you to everyone who donated sweets, chocolates and bottles for our non-uniform day today. This will help with our Winter Fair stalls on the 28th of November. If you haven't donated there is still time to send in any items before the actual night of the fair. Our next non-uniform day is next Friday (21st), please see below the colour that your child's class has chosen for their rainbow stall; we are also collecting cuddly toys and books on this day as well for this event. If you are not familiar with the rainbow stall, each class collects items of their chosen colour, and a basket is then made up of the year groups items, which then is raffled on the night of the winter fair.

Nursery- Purple	Reception- Orange	Year 1- Blue	Year 2- Red
Year 3- Yellow	Year 4- Green	Year 5- Black and White	Year 6- Brown

PTA Winter Fair

We are in need of volunteers to help run the stalls at our Winter Fair, without volunteers our Winter Fair will not be able to go ahead. Please can you let your class reps know if you are able to donate some time to the evening, so that we can all get the best out of the night, as well as raising valuable funds for our school PTA which ultimately positively impacts all our children in school.

Attendance award

This week's infant award goes to Year 1 with 100% attendance, in 2nd place is Year 2 with 99.0% attendance and in 3rd place is Reception with 98.2% attendance.

Our junior winners this week are Year 6 and Y4 with 98.8% attendance in 2nd place is Year 3 with 97.1% attendance and in 3rd place is Year 5 with 94% attendance.

A huge well done to Year 1, Year 4 and Year 6 who get this week's extra playtime.

Online safety

The attached safety guide suggests simple ways to brighten someone's day online – including video calling, posting a kind comment or sharing a feelgood playlist.

Warm wishes,

Caroline Lowe

Head teacher

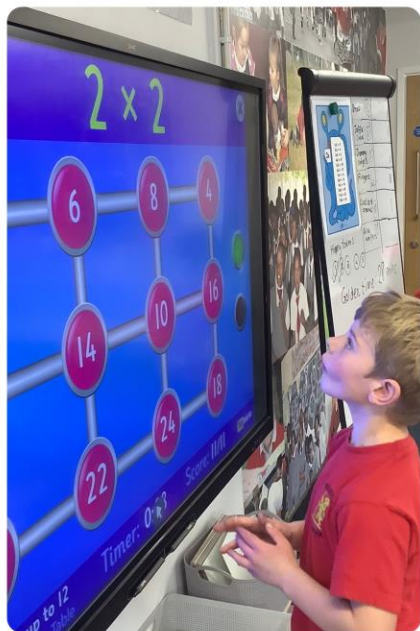

Important Diary Dates (new dates in bold * change of date)

PLEASE NOTE THE DATES IN THE SPRING AND SUMMER TERM MAY CHANGE DUE TO OTHER EVENTS THAT MAY ARISE.

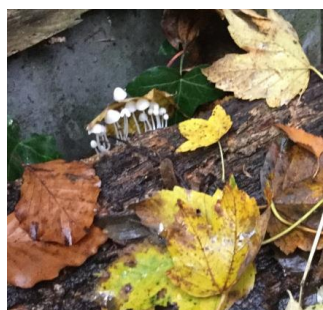

Diary dates 2025-2026

Date	Event
Autumn term 2025

Week beginning: 13.7.26	Reports to go out
16.7.26	Y6 Leaver's assembly 9.15am
16.7.26	School closes for summer
17.6.26	Inset day 4
20.7.26	Inset day 5

This week, Year 2 have been doing lots of practising — in maths and in our Christmas play! In maths, we've been working on our 2 and 10 times tables, playing fun games and competing on Hit the Button to earn points for our teams. Everyone has shown great enthusiasm and determination to get faster and more confident. We've also been busy rehearsing our Christmas play — learning lines, acting out scenes, singing songs and practising our dances. It's been lovely to see how much effort and excitement the children are putting into every part. They say "*practice makes perfect*" — and after this week, Year 2 are definitely proving it!

This week the Reception children have been on an autumn walk around our school grounds. We chatted about the changes we could expect to see in the autumn and talked about changes in the colour of the leaves and what animals do at this time of year. We were also lucky to find some interesting fungi in our nursery garden.

In Year 4, we started our DT unit all about designing and making Christmas cards. In our first lesson, we learned what a design brief is and created our own. We then explored a range of light-up card examples, evaluating their features and discussing the pros and cons of each design. Over the next few weeks, we will be putting our ideas into practice as we design and create our very own Christmas light-up cards. We can't wait to share the finished products!

In Nursery this week we have continued to talk about night and day and had wonderful fun with the parachute in the big hall. The children had to identify if the image on the poster was daytime or nighttime, they sat on top of the parachute for daytime and went under it for nighttime. We acted out the story of What Ever Next, where the children took turns in acting out different events from the story. In maths, the children focused on recognising when they see a number one by showing this on their finger and singing "1 finger 1 thumb", we then decorated number ones and practiced writing a number one too. Some children practiced their colours using our colour coding game, they did so well recognising the colours and sorting the objects correctly. Well done to all our children!

Year 1 have been busy in Computing this week, exploring a range of creative tools on Paintz.app. They experimented with features such as the airbrush and paintbrush to get used to how the programme works. Using their new skills, the children then created their own digital self-portraits, applying what they had learned to paint their faces.
