Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

18th October 2024

Dear Parents and Carers,

We have had a busy week this week, Forest school for our Y3's and Y4's has been a huge success and the children have been learning how to measure the age and height of trees this morning along with knot work and team building- to say the children were buzzing about their learning is an understatement.

Boom Reader

You should all have had your log on details for Boom Reader now. It was great to have some parental feedback about the new system at parents evening and how this is having a positive impact on children's reading. Thank you for logging on, if you haven't yet, please make sure you do, so you can see what your child is reading and be able to comment as well.

Poppies on sale

Our School Councilors will be selling poppies this year week beginning 5th November. There are a number of items on sale, ranging from snap bands and bracelets for £2 and then zippers and plastic poppies for £1. This year we are also selling white poppies as well to support a commitment to peace across the world. A minimum donation of 20p will be gratefully received for our red and white poppies.

Road Closure- Bexton Road 21st October

You may have seen that Bexton Road is due to be closed all day on Monday 21st October (9.30-3.30pm). On the Cheshire East website it states until 2.30pm which we are hoping is the case. However, please be mindful on this day that the roads will be even more busy than usual and where possible, it may be quicker to walk to school that day.

Parents Evening

It was lovely to see parents and carers attending our parent meetings this week. I wanted to say a special thank you to our wonderful new School Councilors who excelled themselves at both of the evenings directing parents to the correct places.

Attendance winners

This week's attendance winners are Year 1 AGAIN with a wonderful 100% attendance, in 2nd place are Reception with 98.6% and in 3rd place are Y5 with 98.5%. A huge well done to Year 1 who will get an extra playtime next week at some point!

E-safety

This free online safety guide focuses on Snapchat. It highlights a number of risks such as sexting, visible location and contact from strangers.

Please see the attached flyer for further information.

Best wishes

Caroline Lowe

Head Teacher

Important Diary Dates (new dates in bold * change of date)

Autumn term 2024	
Date	Event
21.10.24	Reception Parents Evening 3.30-5.30pm

27.6.25	PTA Summer Fair
18.7.25	School closes for children
21.7.25 & 22.7.25	Inset Days 4 & 5

This week, Year 6 had a fantastic time on their trip to **Macclesfield Forest!** The children worked together on **map drawing**, practiced their **orienteeing skills**, and learned all about the **Peak District National Park** and its special features. It was a fun and educational day, and everyone enjoyed the chance to explore the great outdoors while developing their teamwork and navigation abilities. Well done to Year 6 for their excellent participation and behaviour!

This week the children have been enjoying the story of Supertato by Sue Hendra, continuing our learning about superheroes. As you can see, we have had fun making Mr Potato Head using playdough and the features. We have also made Lego planes to fly the characters in. In PE, the children have been honing their jumping skills. We made sure that we used two feet together and springy knees and feet to jump as far and as high as possible.

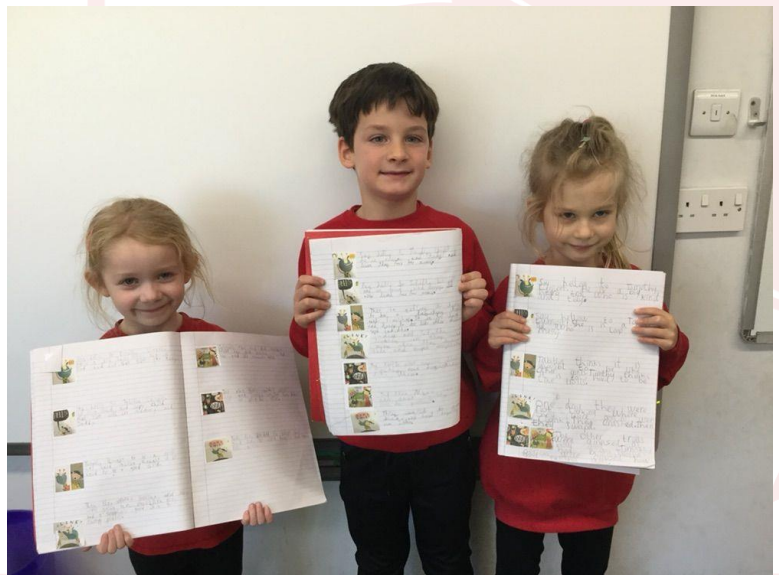

This week the children had a very exciting Anglo-Saxon themed workshop. They consolidated some of their current learning on Anglo-Saxons whilst also taking part in some fun activities and games. As well as this, they learnt about some common weapons used in combat and even had a go at a fun dual with a partner.

Class 1 had an amazing day at Tatton on Tuesday. They went back in time to 1886 and got into role as Victorian servants, learning to bake scones and take care of the mansion. They gained slots of knowledge on the Egerton family and what life was like for them. We are so proud of how well the children represented Egerton with their incredible enthusiasm, behaviour and manners.

This week in English, Year 2 have been sequencing our class text 'Troll Swap' and have had a go at writing each part of the story. The children have really enjoyed exploring this book and they have produced some wonderful pieces of writing. I am sure that their final pieces of writing next week will be amazing!

Year 3 have been making such wonderful progress with their outdoor skills in Forest School with Mr McDonald. They have showed excellent listening skills which has been evident when they have completed independent tasks. Also, they have all been kind and courteous to one another whilst working in different groups. Well done Year 3!

In nursery this week once the dryer weather finally came, the children loved playing with the leaves in the big garden. We have talked about hibernation and the animals who do this, we enjoyed the stories of “when will it be spring” and “Ridiculous. Following this theme, the children loved making hedgehog bread rolls, these were enjoyed by all the family at home. Salt dough hedgehogs and their habitats were also made by the children. We were lucky to enjoy a wide variety of fruits this week to help celebrate the birthday of a nursery child, who kindly brought in some fruit for the children to share together at snack.
