Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

19th September 2025

Dear Parents and Carers,

As the weather is starting to deteriorate please can I remind you to make sure your child has a waterproof coat and suitable footwear in school, a spare pair of socks is also handy should your child get their feet wet in the puddles outside.

We have had the Trust's Director of Primary and the Safeguarding Lead in school this week undertaking a monitoring visit. I am pleased to let you know that the Director of Primary was impressed with the behaviour, learning and attitude of the children as well as the work being produced in books. A huge well done to all our children and staff too.

In addition to this, we had our safeguarding review and all areas of the school are compliant, with staff training up to date and the relevant staff members trained to the right levels. A successful week here at Egerton.

Attendance award

This week's infant award goes to Year 2 for 100% attendance, in 2nd place is Reception with 98.9% attendance and in 3rd place is Year 1 with 97.9% attendance.

Our Junior winners this week are Year 5 with 100% attendance, in 2nd place is Year 4 with 99.3% attendance and in 3rd place is Year 3 with 98.1% attendance.

A huge well done to Year 2 and Year 5 who get this week's extra playtime!

Online safety

The attached safety guide examines Snapchat's latest features, including AI tools, Snap Map, and subscription content, and the potential risks they pose to young users, from screen addiction to sextortion.

Warm wishes,

Caroline Lowe

Head teacher

Important Diary Dates (new dates in bold * change of date)

PLEASE NOTE THE DATES IN THE SPRING AND SUMMER TERM MAY CHANGE DUE TO OTHER EVENTS THAT MAY ARISE.

Diary dates 2025-2026

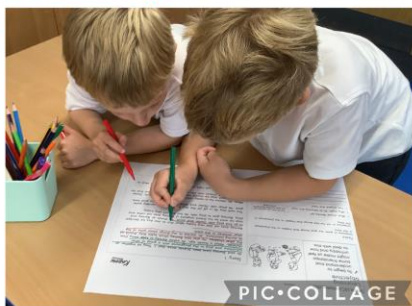

Date	Event
Autumn term 2025	
29.9.25	Sibling photographs
23.9.25	Harvest Y4 Knutsford Church
2.10.25	Y6 Knutsford Academy open evening 4.45-7.55pm- online booking needed through the school
14.10.25	Y3 trip to Delamere Anglo Saxon trip
16.10.25	Flu Nasal spray whole school

Week beginning: 13.7.26	Reports to go out
16.7.26	Y6 Leaver's assembly 9.15am
16.7.26	School closes for summer
17.6.26	Inset day 4
20.7.26	Inset day 5

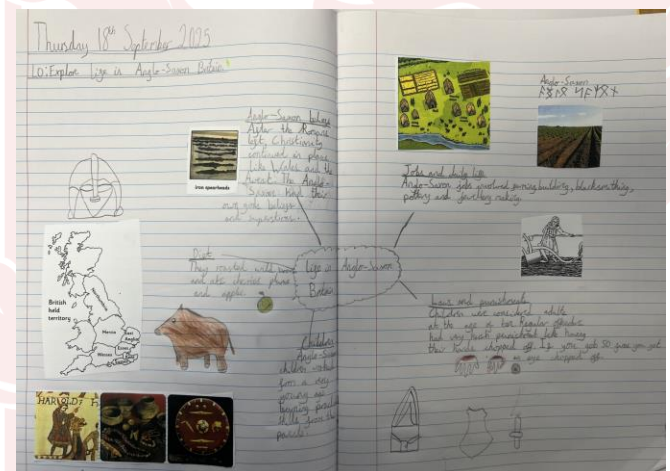

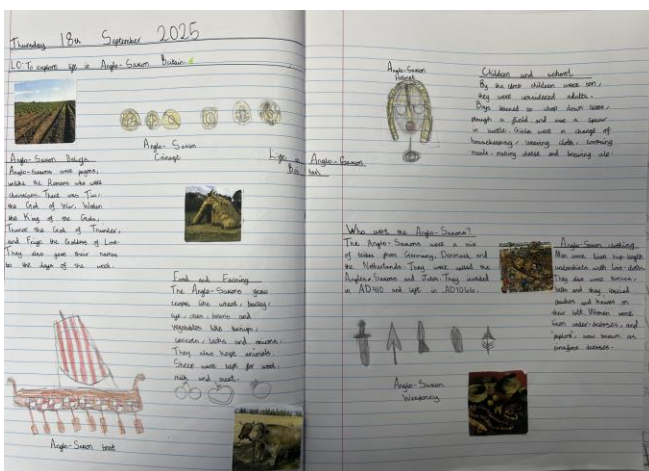

We have had a great second full week in reception! The children have continued to explore the classroom and are making great use of all the different resources. We have been dressing up and even enjoyed setting up a hair dressing salon too. Our story has been 'We're Going on a Bear Hunt' and the children have been recreating the trail in the creative area.

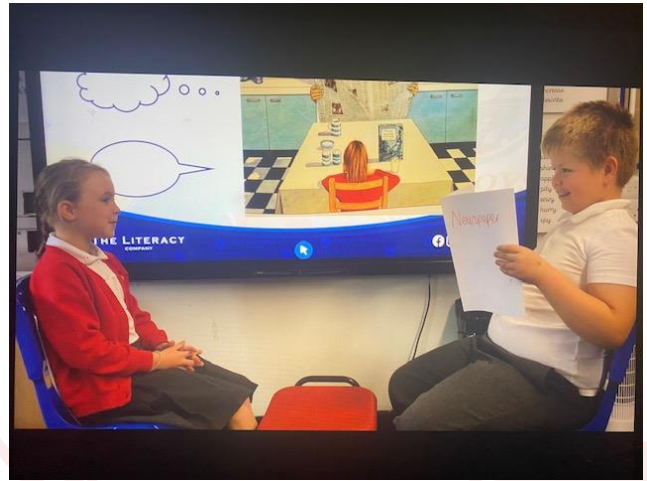

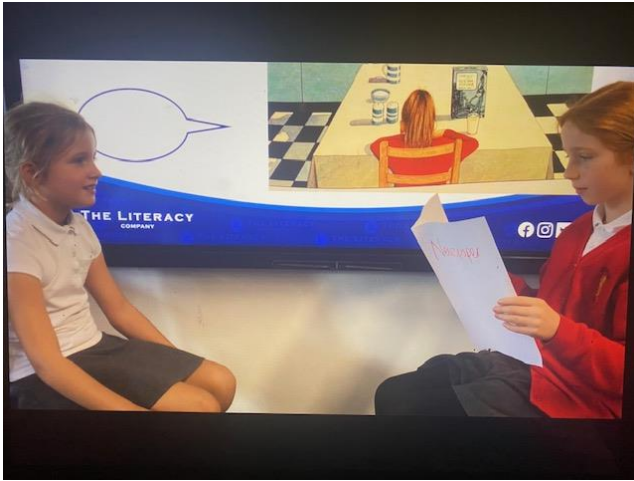

Year 2 have been working incredibly hard this week and learning so many new things! In our maths fluency sessions, we have been using the rekenreks to represent and explore different numbers – the children have really enjoyed sliding the beads and challenging themselves to spot patterns quickly. In geography, we became map detectives, hunting for different symbols on OS maps and discovering what they mean. The children loved spotting the signs for churches, campsites, schools and more – it was like solving a puzzle! In PSHE, we've been thinking carefully about friendships. We talked about what can make us feel unhappy in a friendship and shared ideas about how to deal with these situations in kind and positive ways. The children had some brilliant suggestions and role plays. It's been a busy but exciting week – well done Year 2!

In Nursery class this week the children have been learning all about themselves, we shared the story My Face and My Body and we learnt the song This is my Face. The children enjoyed working on the interactive screen to identify our facial features. We then challenged the children to look in a mirror to then make a self-portrait of themselves, using different craft materials. Please look out for the display in the playroom.

Year 5 have been exploring what life might have been like during Anglo Saxon Britain. They investigated various aspects of this fascinating period, including homes, beliefs, clothing, punishments and schooling. It was a great opportunity to begin understanding the time period, which will provide a strong foundation for their learning throughout the term. The children presented their research in creative and engaging ways, taking real pride in their presentation. They demonstrated excellent use of their 5R skills, especially being reflective and resourceful, throughout their research and learning process. Well done Year 5, you are becoming fantastic historians!

Year 4 have really enjoyed exploring their class book *Gorilla* by Anthony Browne. They have loved getting to know the character Hannah and have been developing their inference skills to better understand how she feels at the beginning of the story.

This week, the children recreated one of the illustrations from the book and, through drama, explored Hannah's thoughts and emotions. It was wonderful to see how Year 4 showed such empathy and understanding for the character, bringing a page of the book to life through their performances.

They used thoughtful language choices and clues from the text to create powerful, imaginative scenes. A fantastic effort from everyone!

Over the past two weeks in Science, Year 1 have been learning all about different materials. They explored a variety of objects to discover what they are made from and even learnt some exciting new vocabulary, including the word transparent!
