Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

23rd January 2026

Dear Parents and Carers,

We have had a busy week in school this week, the children are well on their way now with their new topics that they are covering and working on.

Please can I remind parents and carers to send your children in with coats and clothing suitable for them to go outside at break and lunch times even when the weather isn't great, we like to get the children outside for some fresh air if we can.

Y5 Fire Safety Workshop

On Monday this week the fire service came in to work with our Y5 children. The children were brilliant in the way that they listened attentively to the important information that was being conveyed. They also had some time in the smoke tent to see what it is like if smoke is in the home.

Thank you to our local fire brigade for coming in to work with us.

Pensarn parents meeting Y5

Our parents meeting for the Y5 residential to Pensarn is on Thursday 12th February straight after school in the year 5 classroom. It would be good if the children were able to attend so they can also hear the overview of the week.

Little Champions

Some of our Year 1 and Year 2 children had a fantastic time taking part in the Little Champions event at Knutsford Academy last night. They enjoyed practising a range of ball skills, teamwork and coordination through fun, engaging games and activities. The children showed great enthusiasm, confidence and sportsmanship throughout the event, representing our school brilliantly — well done to all who took part!

Attendance award

This week's infant award goes to Reception with a wonderful 97.86% attendance, in 2nd place is Year 1 with 97.24% attendance and in 3rd place is Year 2 with 96% attendance.

Our junior winners this week are Year 5 with 99% attendance in 2nd place is Year 3 with 98% attendance and in 3rd place is Year 6 with 97% attendance.

A huge well done to Reception and Year 5 who receive this week's extra playtime.

Online safety

This week's attached guide is all about how Roblox- this is a popular game with children, but open chats and user- made worlds can bring hidden risks. Please read the attached guide to show you how to keep young players safe and supported.

Warm wishes,

Caroline Lowe

Head teacher

Important Diary Dates (new dates in bold * change of date)

PLEASE NOTE THE DATES IN THE SPRING AND SUMMER TERM MAY CHANGE DUE TO OTHER EVENTS THAT MAY ARISE.

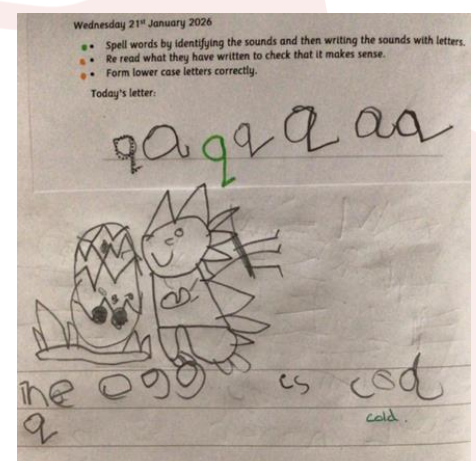

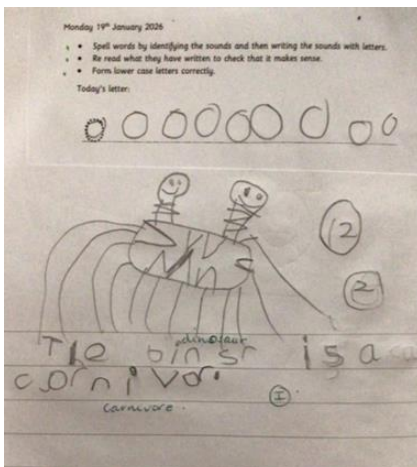

Diary dates 2025-2026

Date	Event
Spring Term 2026	
4.2.26	School PTA disco- More info to follow
10.2.26	Brazilian drumming workshop Y2-6
12.2.26	Quiz PTA event- more info to follow
12.2.26	Y3 trip to Pizza Express
12.2.26	Y5 Pensarn residential parents meeting at 3.20pm in the Y5 classroom1
13.2.25	School closes for half term
16.2.26-20.2.26	Half term
23.2.26	School opens after half term
27.2.26	Y2 Great fire of London Trip Staircase house
11.3.26	Animals Workshop Y2-6
12.3.26	Open the Book
16.3.26-20.3.26	Y5 Pensarn Residential
24.3.26	Parents Evening Y1-Y6 3.30-5.30pm
25.3.26	Reception Parents Evening
26.3.26	Parents Evening Y1-Y6 3.30-6.00pm
tbc	Nursery parents evening
27.3.26	School closes for Easter
Dates could change: Summer Term 2026	
13.4.26	School opens
21.4.26-23.4.26	Y2 Burwardsley residential
11.5.26-14.5.26	Y6 SAT's week
22.5.26	School closes
1.6.26	School opens
3.6.26	Y5 Safety Central Trip
5.6.26	Y3 Mr Egypt workshop
9.6.26	Y1 trip to Warrington Art Gallery and Museum
11.6.25	Sports Day
17.6.25-19.6.25	Y6 residential
24.6.26	Y2 Safety Central
25.6.26	Reserved Sports Day if weather is bad on 11.6.26
tbc	Summer Fair/Summer PTA event
7.7.26	Y6 Leaver's play 6-7pm
8.7.26	Y6 Leaver's play 6-7pm

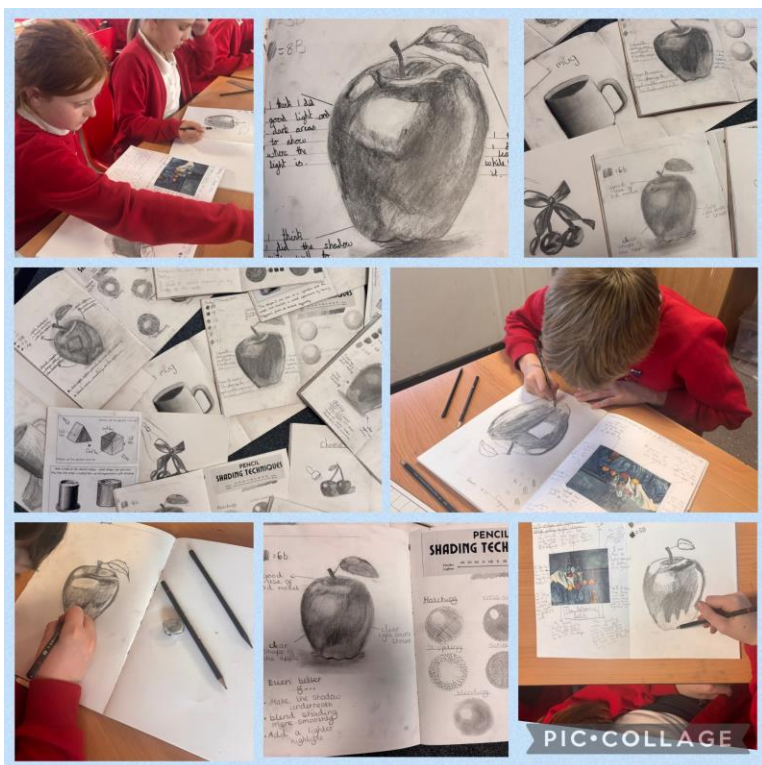

10.7.26	Y6 Rounder's Y6 versus parents
Week beginning: 13.7.26	Reports to go out
16.7.26	Y6 Leaver's assembly 9.15am
16.7.26	School closes for summer
17.6.26	Inset day 4
20.7.26	Inset day 5

Year 3 have been developing their research skills this week and have looked incredibly mature and professional in the classroom. As part of our English learning, the children explored a range of odd and interesting creatures before choosing one of their own to research. They confidently searched for information and facts about their chosen animal in preparation for creating an amazing fact file by the end of the week. The children were highly engaged and showed great curiosity and enthusiasm throughout the process — we are very proud of their efforts!

This week we have been invaded by dinosaurs in Reception. We have read the book 'Are the Dinosaurs Dead Dad?' by Julie Middleton and completed writing based on the book. We have also learnt about carnivores and herbivores and how we can identify them. Artemis even brought a real fossil that was found on the beach in to show us all.

Year 6 have been showcasing their incredible artistic skills through detailed pencil sketches this week. With a real focus on tone, shading and proportion, pupils have shown impressive patience and creativity, producing work they can be truly proud of. It's been wonderful to see their confidence grow as they experiment with techniques and refine their drawings to a high standard.

Year 2 have had another busy and exciting week of learning!

In PSHE, we have been learning all about the internet and what we use it for at home. The children talked about the different ways they go online and worked together to complete a class survey to find out the most popular internet activities in our homes. We also explored how to stay safe online, discussing different scenarios and what we can do to keep ourselves safe when using the internet. The children shared thoughtful ideas and showed a great understanding of how to make sensible choices online. In Reading, the children have been enjoying a variety of chapter books. They have been sharing their thoughts, talking about what they like (and don't like!), and recommending books to their friends — helping to build a real love of reading and excitement about books. To help us look after our new books, we got creative and made our own corner bookmarks. We designed and decorated them in lots of fun styles, including owls, monsters, bunnies, and many more imaginative creations. They look fantastic and will help us keep our place while we read! Well done, Year 2 — another brilliant week of learning

This week in Science, the Year 1 children first explored a range of different objects by passing them around the circle and discussing their properties. They then took part in an object sorting activity to explore different materials and what they are like. Using a range of everyday objects, the children sorted items into groups labelled with properties such as soft and hard. They discussed their choices, building their confidence in using scientific vocabulary.

This week in Nursery we've enjoyed exploring with the ribbons in the school hall and using our gross motor skills. The children made some lovely lines, zig zags and circles. We shared lot of nursery rhymes learning numbers and supporting our counting skills. We also explored lots of different ways to keep warm, running on the spot, jumping jacks and many other exercises.
