Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

23rd May 2025

Dear Parents and Carers,

As we come to the end of another half term, it always nice to reflect on the year so far. Our children have had fun both inside and outside the classrooms, and on trips throughout the year. We have recently had the Director of Primary in to the school to look at our Geography curriculum, our geography lessons, and the work in books and also speak to the children about their geography journey. We had many compliments about this work and have been asked to work with other schools across the trust to showcase our wonderful learning.

Year 4 and Climate Champions Tatton Park trip

Our Y4 children and our climate champions visited Tatton Park on Tuesday this week to take part in a Bee Keeping workshop. Organised by one of our Governors- Mrs Chapman- the children visited the farm as well as looking at how honey is made.

PTA Film Nights

A huge thank you to our PTA for organising and running the film nights this week. We had a staggering number of pupils that attended and the film was a huge hit!

Bunny Hop

Thank you to the PTA who organised the Bunny Hop before the Easter break. I can now reveal we raised a whopping £718.70! Thank you so much for your donations, the children really do enjoy this event.

Summer Party- 27th June 2025

We are busy getting ready for our summer party and are organizing non-uniform days in the run up to this event. On Friday 6th June please can we ask you to donate any sweets for our sweet bola. On Friday 20th June please can we ask for any bottles to be brought in for our bottle bola and then on Friday 27th June please can we ask for any clean and looked after teddies for our Teddy bola. Your help as always is gratefully received. We know it's going to be a fab event; we just hope that the weather is kinder to us this year. Tickets for this event will go on sale the first week back after half term.

Attendance winners

This week's attendance winners are Year 6 with a wonderful 99.7% attendance, in 2nd place are Year 5 with 97.5% and in 3rd place are Year 3 with 97.0%. A huge well done to Year 6 who get this week's extra playtime, but after half term of course.

E-safety

The attached guide explores the troubling rise in children's exposure to violent online content, unpacking the emotional, behavioural and social risks – and how trusted adults can help.

Please see the attached flyer for further information.

Best wishes

Caroline Lowe

Head Teacher

Important Diary Dates (new dates in bold * change of date)

16.7.25	Reception extravaganza- more info to follow
18.7.25	School closes for children
21.7.25 & 22.7.25	Inset Days 4 & 5

This week the Reception children have planted the beans we started growing at the beginning of this half term. They have thrived in the sunshine and were ready to be planted this week. We will take good care of them and hopefully get some beans next half term.

This week, our Year 4 pupils enjoyed a fantastic day out at Tatton Park Farm, where they discovered the wonderful world of bees! The children learnt how bees create their hives and the fascinating process of how honey is made. Everyone had the chance to taste fresh honey, dress up as beekeepers, and take part in a variety of bee-themed activities. It was a hands-on, fun-filled day that left us all buzzing with excitement and new knowledge!

This week, Year 2 had lots of fun in their art lesson as they explored Australian animals through Aboriginal art. They enjoyed learning about traditional styles and techniques, using a variety of media to create lines and textures. The children showed great creativity and attention to detail as they replicated beautiful pieces of Aboriginal artwork.

This week in Nursery, we have been learning about road safety, we have explained how to use a zebra crossing with the children taking it in turns driving vehicles and being the pedestrian on our very own zebra crossing. We've talked about the importance of hand holding whilst crossing the road and the children have coloured in pictures of two hands holding whilst crossing the road. During our maths sessions, we have introduced the children to subitising games, which is teaching the children to see patterns to learn the number of items instead of counting, the children that taken part have thoroughly enjoyed these new games, and we will continue playing these games for the rest of the term. Happy half term holiday to you all.
