Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

27th June 2025

Dear Parents and Carers,

Summer Party

Our Summer Party is nearly here- the PTA and staff have been busy getting everything organised and ready for this afternoon's Summer Party. I would like to mention our wonderful Chair of the PTA-Elaine Clark- Elaine has been working tirelessly behind the scenes for months planning and preparing this event. Without her wonderful organisational skills and dissemination of key information to the PTA Reps, this event would not be able to go ahead. We are so grateful for everything you have done this year Elaine but in particular to enable this event to run today!

Cricket

Last night 15 of our amazing Y4, 5, & 6 children attending a cricket tournament at Toft Cricket Club with Miss Capper. I watched some of the children at lunchtime practicing their cricket skills in preparation for the event. I was so proud to hear that they won the tournament and were presented with their certificates and a trophy this morning in our celebration assembly. A wonderful achievement and one to be very proud of!

Careers Event

Yesterday afternoon our Y5 & 6 children took part in a careers event with some parents who donated their time to talk about their jobs and their route to employment. It was a wonderful event and one that the children were all inspired by. We have representatives from sport, marketing, film, science to name but a few. A big thank you to Mr Airey, Mr Gazzard, Mr O' Regan, Mr and Mrs Barry, Mrs Bishop, Mr Maloney, Ms Christie, Mrs Boulger and Ms Sheriff for being amazing and sharing their work knowledge with the children.

Y4 Chester Visit

Our Y4 children went to Chester this week as part of their Roman topic and had a wonderful time. It was very pleasing to hear that the lady that ran the session was so impressed with the knowledge and behaviour of the children that she was able to deliver a further workshop which is only ever used for older children, but as our Y4s were so super she was able to deliver it to them too! What a wonderful group of children- well done Y4.

Attendance winners

This week's attendance winners are Reception with a wonderful 97.4% attendance, in 2nd place are Year 2 with 97.2% and in 3rd place are Year 5 with 97.1%. A huge well done to Reception who got this week's extra playtime.

E-safety

The attached guide explores the Nintendo Switch 2, covering how its new features – from GameChat to a plug-in camera – could affect children's privacy, spending, and screen time.

Please see the attached flyer for further information.

Best wishes

Caroline Lowe

Head Teacher

Important Diary Dates (new dates in bold * change of date)

Summer 2025	
Date	Event
1.7.25	Y2 trip to Safety Central
1.7.25	Y1 fabulous finish assembly @ 9.15am
2.7.25	Teddy Bear's picnic for new Reception September 2025 starters
2.7.25	Y4 fabulous finish assembly @ 2.30pm
3.7.25	Y2 fabulous finish assembly @ 9.15am
8.7.25	Y3 fabulous finish assembly @ 9.15am
8.7.25	Y6 Leaver's play 6-7pm
9.7.25	Y5 fabulous finish assembly @ 2.30pm
9.7.25	Y6 Leaver's play 6-7pm
9.7.25	TLP Art Exhibition- invite only 9am-12.00pm

16.7.25	Reception extravaganza- more info to follow
18.7.25	School closes for children
21.7.25 & 22.7.25	Inset Days 4 & 5

This week we have been reading the story of the Three Billy Goats Gruff. We have looked at the different types of bridges found around the world and thought about what they had to be: stable, sturdy and reliable. With this in mind, we used materials in our classroom to build a bridge over the imaginary water. We then tested it as you can see. It reminded Mrs Taylor Wattam of somewhere she visited when she was younger, the Pontcysyllte Aquaduct, so we looked at that on the big screen.

Year 5 attended a transition day at the high school on Monday. We had a brilliant time taking part in lots of different art and PE activities. Well done to the Year 5 class who represented Egerton with great pride.

We had a fantastic Career Afternoon for Year 5 and 6, with ten parents kindly volunteering their time to talk to the children about their careers. Pupils were fascinated to hear from professionals working as an operations manager, TV producer, marketing director, solicitor, data scientist in cancer research, and IT management consultant, as well as those in the hospitality sector, tennis coaching, and marketing management. Each speaker shared what their job involves day-to-day, the skills they use, and the journeys they took to reach their current roles—including the subjects they enjoyed at school and the challenges they've overcome. The children asked thoughtful questions and were inspired by the variety of opportunities available to them in the future. It was an engaging afternoon that helped broaden pupils' understanding of the world of work. A huge thank you to all the parents who helped make the event such a success!

Children from Years 4, 5 and 6 took part in a cricket tournament at Toft Cricket Club on Thursday and they were amazing! The team played brilliantly, showing excellent teamwork along with fantastic batting and fielding skills.

We're incredibly proud to say they won all three of their matches and were delighted to lift the trophy and receive their gold medals.

A big thank you to everyone at Toft Cricket Club for organising such a great event, and a huge well done to our children for their outstanding performance, behaviour, and enthusiasm.

This week in DT, Year 2 explored a variety of puppets. The children will be creating their own puppets over the next few weeks and developing their sewing skills. We can't wait to see what they look like!

This week in Nursery we have been excited to welcome some new Reception teachers from other schools, they came to meet the children moving up to their Reception classes, and we have more planned for next week. Our book this week has been *The Train Ride* by June Crebbin, where the train takes a journey and sees lots of things along the way. The children then took a walk around the big school field to see what things we could hear and see, then practiced extending our sentences to include the things we saw and heard. In maths, we sang the rhyme *5 green bottles* and practiced counting down from 5 and used our fingers to represent the numbers.
