YEAR 3

AUTUMN TWO
THE IRON MAN

ENGLISH

<u>The Winter's Child</u>

The children will develop upon their mastery keys from Autumn One to write a fantasy story.

HISTORY

<u>Stone Age to Iron Age continued...</u>

Children will explore how life in Britain changed from the Stone Age through to the Iron Age. They will learn about early settlements, farming, tools, homes, and religious beliefs, gaining an understanding of how these shaped society over time.

MATHS

Throughout Autumn two, we will explore in depth all about multiplication and division.

PE

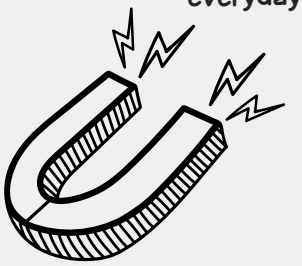

<u>Dance</u>

In this unit, children will explore movement and expression through dance. They will learn to perform basic dance actions, develop sequences in response to music or themes, and work collaboratively to create and perform short routines with control and rhythm.

SCIENCE

<u>Forces and Magnets</u>

Through hands-on investigations and interactive lessons from Developing Experts, children will explore how objects move on different surfaces and discover the effects of magnetic forces. They will learn about attraction and repulsion, magnetic materials, and the practical uses of magnets in everyday life.

PSHE

<u>Connecting with others</u>

Children will develop their understanding of positive relationships, friendships and respecting boundaries. They will build confidence in expressing themselves while learning how to help everyone feel safe, valued and included.

SPANISH

<u>My Body</u>

Children will learn to name parts of the body in Spanish and describe simple physical features. Through songs, games, and interactive activities, they will practise listening, speaking, and responding in Spanish, building their confidence with basic vocabulary and sentence structures.

COMPUTING

<u>Creating Media</u>

MUSIC

<u>Christmas singing</u>
