Headteacher Welcome

Welcome to Egerton Primary School.
We are a vibrant primary school located in Knutsford, Cheshire.

Our aim is to give each child the best foundations for them to be happy, confident and successful lifelong learners. We are committed to safeguarding and promoting the welfare of all of our pupils.

A stimulating curriculum reflects and embraces our children and our school community. We are committed to ensuring that children master the fundamentals of reading, writing and mathematics as well as ensuring that our broad and exciting curriculum enables each child the opportunity to find their passion and develop their talents.

Our team of enthusiastic and passionate teachers and support staff recognise the importance to be exemplary role models and to nurture each child to become the best that they can be. The school is committed to ongoing development of the teachers, so that they can have the greatest impact on the children they teach.

Egerton is fortunate to have an extensive and beautiful outdoor space, that provides unrivalled opportunities to develop a healthy, active lifestyle and also to learn how to care for our environment and its importance.

Everything we do at Egerton is rooted in a values based approach that strives for our students to be ready to learn, thrive and be prepared for their future.

If you are a prospective new parent and would like to visit us, please make an appointment with the school office to discover more about our wonderful school.

Mrs Rebecca Crawshaw

Headteacher

Pupils have very positive attitudes to their learning.

Welcome to
The Learning Partnership

THE LEARNING PARTNERSHIP

It is my pleasure to welcome you to The Learning Partnership.
We are a diverse, multi-academy trust of 14 schools delivering excellent educational provision for pupils in primary and secondary schools across the local area, including Knutsford Academy.

Egerton Primary School is strengthened by the additional support we provide as a trust. We work closely with the school, with the aim to effect greater change for Egerton pupils and the wider Knutsford community. We are ambitious for the future and passionate about ensuring young people have access to the very best opportunities and life chances. We believe we have the knowledge and skills to make this a reality for Egerton pupils and those in all our schools.

Dan Thomas | CEO

Ready to learn. Ready to thrive. Ready for tomorrow.

Teaching Spanish from Year One is such a wonderful way to immerse the children in a new language.

Parent Perspective

Our Vision and Values

READY TO LEARN

READY TO THRIVE

READY FOR TOMORROW

R - Resilient
We want our children to embrace challenges and be equipped with the knowledge, skills and resilience they need to flourish.

E - Engaged
We want our children to be engaged and inquisitive in their learning.

A - Achieve excellence
We want our children to achieve excellence through an ambitious curriculum and amazing learning opportunities.

D - Discover
We want our children to be keen to discover their creativity.

Y - Young Global Citizens
We want our children to leave school as confident, compassionate and globally aware citizens.

Ready to learn. Ready to thrive. Ready for tomorrow.

Leaders have constructed an ambitious and carefully thought out curriculum. The curriculum excites, engages and promotes learning from the moment that children join.

Ofsted 2023

Our Curriculum

At Egerton Primary School, we are proud to offer a broad, balanced and ambitious curriculum that inspires curiosity, develops a love of learning and enables every child to achieve their full potential.

Our curriculum is carefully planned and sequenced to build upon children's prior knowledge and understanding, helping them develop the essential knowledge, skills and confidence they need to succeed. We place a strong emphasis on reading, writing and mathematics, alongside a rich range of subjects and experiences that encourage creativity, independence and a lifelong enthusiasm for learning.

We believe that learning extends beyond the classroom. Our children benefit from a wide range of exciting educational visits, visitors and enrichment opportunities that bring learning to life and deepen their understanding of the world around them. These include outdoor learning experiences, a day visit to Burwardsley, a residential visit to Wales and many other memorable opportunities linked to the curriculum across different year groups.

Through our curriculum, we encourage children to develop respect for others, celebrate diversity and understand their place within their local community and the wider world. We are proud to be a Gold Rights Respecting School and a Primary Science Award holder, reflecting our commitment to children's rights, global citizenship and inspiring scientific curiosity and discovery.

We are committed to ensuring that every child, regardless of their starting point or individual needs, can access meaningful learning opportunities and experience success.

Our aim is for every child to leave Egerton as a confident, resilient and enthusiastic learner, equipped with the knowledge, skills and values to thrive in the next stage of their education and beyond.

Ready to learn. Ready to thrive. Ready for tomorrow.

Egerton Nursery

Egerton Nursery (formerly Egerton Pre-School) offers nursery provision for 2-4 year olds with its own facilities in the school grounds.

At the Nursery the staff provide a physically and emotionally safe environment for our children, where they can develop their confidence and independence. We offer excellent learning opportunities, which result in self-motivated and happy children, who learn through play and having fun.

The structure of our day is planned to encourage self-confidence, independence and group co-operation through large group, small group and one to one activities. We provide and promote learning opportunities to support all seven areas of learning, enabling your child to have the skills they need, for their next learning journey.

The Forest school has been a brilliant addition to the curriculum - my child loves it!

Parent Perspective

Ready to learn. Ready to thrive. Ready for tomorrow.

Egerton Lions - Before and after school club

Our before and after school club, Egerton Lions, provides a safe and secure and relaxed environment, offering a range of activities to reflect the interests of the children in our care. The club's ethos replicates that of the school and has a strong focus on respect.

Our Club follows the Playwork Principles, so the children are free to choose activities and resources as they wish. There will always be a selection of activities and resources available, including dressing up, home corner, craft, board games, construction, iPads, physical outdoor play, and reading. In addition, other resources such as baking/cooking will be offered on occasions.

We provide cereal, toast and a selection of preserves in the morning. In the evening we offer a light after school tea such as pasta and filled wraps. We recognise the importance of healthy nutrition for children delivered in a calm, friendly setting.

Ready to learn. Ready to thrive. Ready for tomorrow.

Admissions

Our admission number is up to 30. Parents wishing to apply for a place in Reception should fill in an online Cheshire East admissions form by the deadline.

We hold open events for parents and children, where they have the opportunity to meet the staff and children.

Parents of children wishing to join the school within the academic year are encouraged to come and see the school first. Following this, the in-year transfer application can be made via the Cheshire East website.
