

Egerton Primary School

Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton, we aspire to create an inclusive environment where all students and staff can flourish.

We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

4th September 2026

Dear Parents and Carers,

Welcome back to a new school year and to my first newsletter as Headteacher.

I hope these newsletters will be a useful way of keeping you connected with school life, celebrating the children's successes and sharing important information with you.

It has been wonderful to welcome the children back to Egerton this week. The school has been full of energy, excitement and smiling faces, and I have loved seeing our children so happy to be back with their friends and ready to learn. Whether your child is joining us for the first time or returning after the summer break, thank you for the part you have played in making the start of term feel so positive.

A Great Start!

The children have settled into their new classes brilliantly. It has been lovely to see them reconnecting with friends, getting to know their new teachers and throwing themselves into their learning. There is already such a warm, purposeful atmosphere around school and I am incredibly proud of the way the children have started the year. Thank you, as always, for your support at home in helping them arrive ready for the new term.

A special mention must go to our Nursery and Reception children, who have settled in brilliantly. We are really looking forward to welcoming our Reception children full time from Monday. Thank you, too, to the parents and carers who joined us for lunch this week and had the chance to see what lunchtime looks like for our youngest children.

Working in Partnership meetings

Our **Working in Partnership (WIP)** meetings will take place on **Tuesday 15th September, 6pm-7pm.**

These meetings are a really valuable opportunity to meet your child's class teacher, hear more about what learning will look like this year and understand how we can work together to help your child thrive. There will, of course, also be time to ask any questions you may have.

School photographs

Individual and sibling photographs will take place on **21st, 25th and 28th September.**

Attendance

Good attendance really matters because being in school consistently gives children the best opportunity to learn, build strong friendships, feel part of their class and make the progress we know they are capable of. Even small amounts of missed learning can add up over time. We also understand that children can be unwell and that families can sometimes face circumstances which make attendance difficult. If that happens, please talk to us early so that we can work with you and offer support wherever we can.

Egerton Primary School

Above all, we want this to be a happy and successful year for every child. Strong relationships between home and school make such a difference, so please do speak to your child's class teacher or the school office if you have a question, concern or something you think we should know. We are here to work with you.

Thank you for such a positive start to the year and for the warm welcome and support you have shown. I am really looking forward to everything we will achieve together at Egerton this year.

Warm wishes,

Mrs Rebecca Crawshaw
Headteacher
