Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton, we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

9th October 2026

Dear Parents and Carers,

What a fantastic week we've had in school! It has been a real pleasure to welcome prospective families to our two Open Days and to showcase everything that makes our school so special. We are incredibly proud of our wonderful children, dedicated staff and welcoming school community. It was lovely to share the many opportunities, achievements and experiences that make our school such a special place to learn and grow. Thank you to everyone who helped make the week such a success!

Netball match

Some of our Y5&6 children took part in their first netball match of the year yesterday at Bexton Primary School. Although the score wasn't in our favour, the girls played so well and got stronger as the game went on – Miss Capper noted the girls' attitudes were amazing and said it was a joy to accompany them. Well done girls, and thank you to Miss Capper for accompanying the children.

Dance Taster

Yesterday afterschool, some of our Y1&2 children took part in the dance taster session at Knutsford Academy. The children had a great time and as always represented our school beautifully. Huge thank you to Mrs Levinsohn for accompanying the children.

Parking outside school

To help keep everyone safe, please remember that parking is not permitted in the cul-de-sac, particularly as the area becomes very busy during drop-off and pick-up times. We kindly ask all families to be considerate of our neighbours; please remember that Booths offers two hours of free parking, which may be a convenient alternative when bringing your children to and from school.

Thank you for your understanding, cooperation and continued support in helping to keep our school community safe.

Year 6 Buddies

As a school, we are incredibly proud of our Year 6 Buddy Programme, which plays a vital role in supporting our youngest pupils as they begin their learning journey. Each Reception child is carefully paired with a responsible and nurturing Year 6 buddy, who stays with them throughout the year. Together, they enjoy a range of activities such as paired reading, taking part in the Daily Mile, and engaging in positive playtime support through our Phys Kids initiative. This partnership not only helps our Reception pupils feel safe, confident, and welcomed, but also

gives our Year 6 pupils a wonderful opportunity to develop leadership, empathy, and a strong sense of responsibility.

This week our 2026/27 buddies were chosen and we spent time together in the library and in the hall with Multiflex. We are excited for all the adventures we will have together this year.

Year 2 Trips – Parent Meeting

The majority vote for the Y2 trip parent meeting is 9-9:30am on Monday 19th October. I look forward to seeing you then.

Dates

Please see new and upcoming dates highlighted in yellow below.

Date	Event

27.11.26	Christmas Fair
09.12.26	Reception Christmas Play 9.30am
10.12.26	Carol Concert Y3/4 6-7pm
11.12.26	Carol Concert Y3/4 9.15-10.15
14.12.26	Carol Concert Y5/6 6-7pm
14.12.26	KS1 Play at 1:30pm
15.12.26	Carol Concert Y5/6 2-3pm

14.12.26	Christmas Jumper Week
16.12.26	KS1 Play at 9:30am

Warm wishes,

Mrs Crawshaw

Class Spotlight

Year 2

E-Safety and Devices

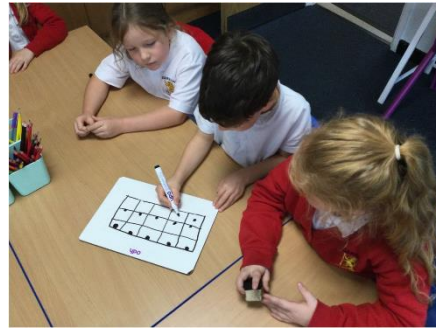

In Year 2, we have been busy learning all about e-safety and the different devices we use in our world. The children have been exploring the different roles devices have, how they can be used and how they can help us in our everyday lives.

Recently, we have been talking about staying safe online and thinking carefully about how we can protect ourselves when using technology.

This week, the children have been learning about what makes a strong password. We looked at how combining two random words, such as an animal and a food, along with a number can help to make a password stronger and more difficult for others to guess.

The children have really enjoyed sharing their ideas and developing their understanding of how to stay safe when using technology.

Music - Pitch and Rhythm

In Music, we have been learning about pitch and rhythm. We have used our voices and percussion instruments to explore high, medium and low pitches and have had lots of fun experimenting with different sounds.

The children have also had a go at creating their own visual scores using symbols and pictures to represent the sounds and rhythms they wanted to make. They have really enjoyed being creative and sharing their musical ideas!
