Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton, we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

18th September 2026

Dear Parents and Carers,

It has been another busy and positive week at Egerton. The children are continuing to settle well into their new classes and routines, and it has been lovely to see them working hard and enjoying their learning.

Working in Partnership meetings

Thank you to all the parents and carers who attended our Working in Partnership meetings on Tuesday. The meetings went very well and it was lovely to welcome so many of you into school. We hope they gave you a useful insight into the curriculum, routines and expectations for your child's class this year, as well as an opportunity to meet the staff working with your children.

Thank you, as always, for working in partnership with us. Strong communication between home and school makes such a difference to the children.

Autumn term key dates

Attached to this newsletter is a list of our upcoming key dates for the autumn term. We hope that sharing these together will help families to plan ahead. We will, of course, continue to send reminders and further information about individual events nearer the time.

Can you help us?

We are continuing to look at ways to develop our provision and make the very best use of the resources available to our children. Attached is a wish list of items and resources that would be particularly useful in school.

Before purchasing everything new, we thought we would ask our school community whether anyone has any of these items that they no longer need and would be happy to donate, or whether you may be able to help us source them. There is absolutely no expectation for families to provide anything, but sometimes exactly what we need may already be sitting unused in a garage, shed or cupboard!

If you think you may be able to help with anything on the attached list, please contact the school office. We would be extremely grateful for any support. Please see the attached list.

PTA AGM - Tuesday 22nd September, 6.00-7.00pm

We would like to invite all parents and carers to our PTA Annual General Meeting on Tuesday 22nd September from 6.00pm to 7.00pm.

Our PTA plays an important part in school life, helping to organise events for our families and raising valuable funds which directly benefit the children. Existing members and new faces are equally welcome. Coming along does not mean you have to commit to a particular role - it is simply a good opportunity to hear more about the PTA, share ideas and find out how you might like to get involved.

We would love to see as many of you there as possible.

Online safety

Keeping children safe online continues to be an important part of safeguarding. The Department for Education's updated Keeping Children Safe in Education guidance for 2026 is now in force and continues to recognise online harms as an important safeguarding issue.

There have also been significant national developments around children's online safety this year, including plans for stronger age protections on social media and other online services, alongside increased attention to emerging risks such as artificial intelligence, chatbots, misinformation and harmful online content.

We will continue to share useful online-safety information with families during the year. This week, it may be helpful to talk with your child about the apps, games and online services they use, who they communicate with online, and to remind them that they should always tell a trusted adult if something they see or receive online makes them feel worried or uncomfortable.

Afterschool clubs

Please see the table below of our afterschool clubs on offer this half term:

Monday	Multiflex (Reception & KS1) contact Multiflex directly	Choir (Y2-Y6) £20 for whole term	
Wednesday	Crafternauts (KS2 only) contact Nicola directly	Netball (Y5&6) £10 for half term	Karate (Rec-Y6) contact Kath King directly
Thursday	Multiflex (Y1-Y6) contact Multiflex directly		
Friday	Multiflex football (Y1-6) contact Multiflex directly		

A reminder - nut free school

Please can we remind all parents and carers that Egerton is a nut-free school. No snacks or lunchtime items should contain nuts. We appreciate your vigilance with this, which helps us to keep children with allergies safe. Thank you for your continued support. It has been a really positive start to the autumn term and we are looking forward to all that is ahead.

Have a lovely weekend.

Warm wishes,

Mrs Crawshaw

Headteacher

Class Spotlight!

We have had a fantastic week in Nursery! Children continue to settle in, make friends, and dive into our wonderful daily routines. It has been a busy week filled with music, independence, and lots of brilliant learning!

Our Daily Routine & Songs: The children are becoming real experts at our transition times. We have been practicing our lunchtime song to get ready for healthy eating and our goodbye song to end our session with a smile.

Weather Watchers: Every day, we have been looking out the window to describe the weather. The children have loved finding the matching picture to stick onto our daily weather chart.

Days of the Week: We have been singing our days of the week song with lots of enthusiasm! The children are challenging themselves to identify exactly which day it is each morning.

Marvellous Mathematicians: We are so proud of how the children are taking charge of the morning register. They have been challenging themselves to count the daily attendance and even write the correct number on our register sign!

Thank you for your continued support as the children build their independence and confidence.
