Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton, we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

25th September 2026

Dear Parents and Carers,

It has been another lively week at Egerton, with lots happening across school and plenty for our children to enjoy and be proud of. It has been lovely to see the children so engaged in school life and making the most of all the opportunities available to them. As always, thank you for your continued support.

Cross Country

A huge well done to our Cross Country team, who represented Egerton brilliantly and finished 3rd overall. The event was very well organised and our children felt supported and included throughout. We are very proud of them all!

Year 4 Weaving Project

Year 4 are getting ready for an upcoming weaving project and would be very grateful for any spare wool that families may be able to donate. If you have any wool at home that you no longer need, please send it into school. Thank you for your support!

PTA

A big thank you to everyone who attended our PTA AGM this week and to all those who continue to give their time and support to the PTA. The contribution of our PTA has such a positive impact on the provision and experiences we are able to offer our children, helping to fund resources, activities and opportunities across school. We are extremely grateful for everything they do. If you would like to get involved, even if you can only spare a small amount of time during the year, please contact the school office.

Support for families through Cheshire East's Live Well

Cheshire East's Live Well website provides a range of useful information, advice and support for children, young people and families. Parents and carers can access guidance on Early Help, support if they are concerned about a child, information about Family Hubs, and a range of other services available to families across Cheshire East. We would encourage parents and carers to visit the site if they feel they may benefit from additional advice or support.

Online Safety

This week, a reminder about helping children stay safe when gaming and chatting online. CEOP Education recommends talking regularly with children about the games and apps they use, checking privacy and safety settings together, and making sure children know not to share personal information or move conversations into private chats with people they do not know. Most importantly, children should know that if anything online worries, scares or upsets them, they can tell a trusted adult straight away. CEOP also provides age-appropriate resources for primary-aged children, including Jessie & Friends for ages 4-7 and Play, Like, Share/Band Runner for ages 8-10.

Further information for parents and carers is available from CEOP Education: [CEOP Education - Parents and Carers](#)

14.12.26	Christmas Jumper Week
16.12.26	KS1 Play at 9:30am

Warm wishes,
Rebecca Crawshaw
Headteacher

Class Spotlight

We have had a very busy start to the year in Reception. Everybody has been making new friends and learning the routines and expectations of the new school environment.

We are very proud of how the children have settled in to school as the Reception year is quite a bit different to Nursery.

So far we have been focusing on settling in to school and completing our baseline assessments.

From next week the Reception children will begin their reading practise sessions as we have already been working hard on our phonics and learning to read words with the first few sounds.

Well done on a great start to the year Reception.
