Elliston Primary Academy

Policy on Charging

1. Introduction

1.1 All the education we provide during normal school hours is at no charge to pupils. We do not charge for any activity undertaken as part of the National Curriculum, with the exception of some individual or small-group music tuition.

2 Voluntary contributions

2.1 When organising school trips or visits to enrich the curriculum and the educational experience of the children, the school invites parents and carers to contribute to the cost. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents or carers have not paid any contribution. We do not treat these children differently from any others.

2.2 If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents and carers have a right to know how each trip is funded, and the school provides this information on request.

2.3 The following is a list of additional activities, organised by the school, which require voluntary contributions from parents and carers. These activities are known as 'optional extras'. This list is not exhaustive:

- visits to museums;
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to or by a theatre company;
- school trips abroad;
- musical events.
-

3 Residential visits

3.1 If the school organises a residential visit in school time, or mainly in school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education or travel expenses. However, we do suggest a charge to cover the costs of board and lodging, although parents and carers who receive state benefits are exempt from this charge. If we cannot raise sufficient

funding through these voluntary contributions, the visit may have to be cancelled, and that aspect of the curriculum would have to be covered in other ways.

4 Music tuition

4.1 All children study music as part of the normal school curriculum. We do not charge for this.

4.2 There may be a charge for individual or small-group music tuition, since this is an additional curriculum activity, and not part of the National Curriculum. These individual or small-group lessons are taught by peripatetic music teachers. We make a charge for these lessons, but parents and carers in receipt of state benefits are exempt from payment. We give parents and carers information about additional music tuition at the start of each academic year.

5 Swimming

5.1 The school organises swimming lessons for children in Years 3, 4 & 5. These take place in school time and are part of the National Curriculum. We make no charge for this activity. We inform parents and carers when these lessons are to take place, and we seek the written permission of parents or carers for their children to take part. Some additional swimming sessions are organised at times to provide children with additional experience. Currently, there is no charge for these.

6 Transport

6.1 We normally ask for a voluntary contribution towards the cost of transport if children go out on an educational visit or are attending an extra-curricular activity.

7 Arrears

7.1 Should any arrears amounts exceed £20.00 the school reserves the right to refuse access to breakfast club, after school club and school meals. If arrears are not cleared at the end of a term, the school reserves the right to refuse access to breakfast club, after school club and school meals.

8 Monitoring and review

8.1 This policy is monitored by the governing body, and will be reviewed every two years, or earlier if necessary.
