

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

At Elliston, we believe that, although Pupil Premium provides additional funding, it is the spotlight it puts on the achievement of disadvantaged children that is the priority. 48% of children who attend Elliston are eligible for the funding, compared to 20.8% nationally.

Educational attainment is the best predictor that we have of a young person's long-term outcomes and it is, therefore, important that we ensure all children achieve, whatever their background or level of social deprivation. It is important that this additional public funding is used effectively, with careful planning, in order that we close the gap between disadvantaged children and their peers.

Ultimately, our aim is to remove the barriers that disadvantaged children face to achievement, and allow them to achieve as well as their peers, nationally. Students eligible for the Pupil Premium are often more likely to be low-attaining than other children, however we are aware that we have some middle and high attainers who also attract Pupil Premium funding.

The belief that all eligible children should be positively impacted by this strategy has influenced our planning. We have considered the evidence from the Education Endowment Foundation (EEF) and their research into successful practice in other schools. We have also taken on board the impact of strategies used previously within our own school.

As recommended by the EEF, we have a tiered approach to Pupil Premium spending. Teaching takes priority and this includes professional development and training for all staff. This is reflected in the Pupil Premium spending, where teaching is the highest costed tier.

The Education Endowment Foundation states 'The challenge of implementation means that less is more: selecting a small number of priorities and giving them the best chance of success is a safer bet than creating a long list of strategies that becomes hard to manage.' It is for this reason that our plan is specific and precise. We endorse the EEF's view that the use of Pupil Premium funding will 'benefit other groups' and that 'some forms of targeted academic support or wider strategies will benefit other children, including children with Special Educational Needs and Children in Need.'

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attainment is lower for disadvantaged learners than peers, both in school and nationally. We also have a higher proportion of disadvantaged learners with SEND compared to national, 63% of these are Pupil Premium.
2	Our disadvantaged children generally have poor language skills and limited vocabulary on entry to school.

3	Limited reading at home can be a barrier for disadvantaged children and this impacts on their access to the wider curriculum in school and beyond
4	Disadvantaged children at Elliston generally have more complex family backgrounds, 63% of Pupil Premium children have had social care involvement or an Adverse Childhood Experience. A further 9% require pastoral support.
5	Attendance for disadvantaged children is significantly below the rest of the school. 49% of the Persistent Absentees are Pupil Premium
6	Limited 'wider' experiences and opportunities in life to draw upon which can link to lack of aspiration for the future.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p><i>Increase the percentage of disadvantaged pupils reaching standards</i></p> <p><i>Ensure all pupils, whether pupil premium or SEN or both, make at least expected progress over the year.</i></p>	<p>Reading, writing and maths combined data at the end of KS2 will show there is no difference when compared to peers.</p> <p>Outcomes will be in line with National Data in all year groups will show that progress for pupil premium children is at least the same as their peers, and in many cases accelerated. Where there is a gap, this is diminishing</p> <p>The quality of teaching in all cohorts is at least good in all lessons at all times, and often outstanding.</p> <p>The quality of teaching and learning in every classroom is enhanced by the deployment of highly effective teaching assistants.</p> <p>Interventions are targeted, timely and highly effective and are closely monitored to ensure maximum impact on pupil progress and achievement.</p>
<p><i>Develop the vocabulary of disadvantaged pupils, in general and across the curriculum</i></p>	<p>Enquiries into teaching and learning will identify an increased application of vocabulary</p> <p>Reading attainment will show disadvantaged pupils are in line with all pupils</p>
<p><i>Increase the opportunities for disadvantaged pupils to read</i></p>	<p>Reading outcomes will show disadvantaged pupils are at least in line with National Reading data in all year groups will show that progress for pupil premium children is at least the same as their peers, and in many cases accelerated. Where there is a gap, this is diminishing</p>

<p><i>Ensure all children have the emotional resilience and readiness to learn that ensures academic achievement</i></p>	<p>Welfare, emotional and safeguarding barriers are minimised. Enabling Pupil premium children to achieve in line with their peers. Attitudes to learning for all children is positive and learning behaviours are outstanding. Families are supported to reduce barriers to children's achievement</p>
<p><i>Improve the attendance of disadvantaged pupils</i></p>	<p>Attendance for disadvantaged pupils to be in line with others in school and nationally. Reduction in the percentage of Persistent Absentees across school Individual case studies will demonstrate the impact of improving attendance on pupil achievement</p>
<p><i>Increase opportunities and experiences for children – to ensure they have a wide range of experiences to draw upon in learning and develop a deeper understanding of the working world.</i></p>	<p>Curriculum Enrichment through the 'Elliston Experience' will have a positive impact on children's knowledge and understanding of the world around them – Cultural Capital Parental feedback is positive with regards to the Wider Curriculum Pupils will have increased encounters with employers and employees</p>

Activity in this academic year

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021-2022 academic year.

Last year, we agreed to the following:

Supporting Teaching and Learning

- ✓ A planned Curriculum to meet the needs of Elliston pupils
- ✓ Additional adult support in every class
- ✓ Continued appropriate training programmes for teachers
- ✓ Minimise continued impact of school closures due to the pandemic

Targeted academic support

- ✓ Addressing the individual needs of each child and identifying their barriers to learning
Providing intervention linked to termly Cohort Performance Reviews
- ✓ Personalised support and tailored interventions to the needs of the child –academic and otherwise
- ✓ Deployment of support staff to provide bespoke interventions
- ✓ Identifying barriers beyond academic and addressing these through pastoral and emotional support
- ✓ SLT involvement in reducing barriers to learning with any individuals as required.

Wider strategies

- ✓ Provision of a strong and highly effective Pastoral Team
- ✓ Training for all staff on issues around Mental Health
- ✓ Work with the Educational Psychologist to develop a self-support mechanism for emotional issues and difficulties
- ✓ Working with identified families to improve children's attendance and punctuality
- ✓ Providing support for parents
