Staff Member Of The Month

We would like to introduce Miss Jones our teacher in Sharks class.

'I am Miss Jones and I started teaching in Sharks class in September. A little about me, I have 2 cats Blu and Bruno and I have a twin sister. I have lots of interests outside of school such as crochet, baking and mindfulness colouring. I have been enjoying my time so far at Elliston and have loved getting to know all the children.'

Attendance

We'd like to thank all parents for getting their children into school and for being on time!

We understand there has been a bout of sickness and flu going around, but lets continue to work together and support the children with their attendance as it has an impact on their learning.

Water Bottles

Please remember to bring your child's water bottle in school so it is easier for them to get a drink through out the day and during PE lessons.

Jewellery

Jewellery is not allowed at school and larger than stud sized earrings are a safety risk. Some children also have temporary tattoos, and these are not appropriate. Here at Elliston, we pride ourselves on how well turned out our children are, so we thank you for your continued support regarding uniform.

Rhyme, Rattle & Roll

For babies and toddlers aged 0-3 years, designed to encourage movement to music and singing followed by a playtime. It's a great opportunity to see the school, meet the Nursery Team and other families.

Every Wednesday 9:00am-10:00am

Safer Internet Day

This year Safer Internet Day is on Tuesday 6th February and children will be doing numerous activities in school.

Parking

Just a gentle reminder for parents not to park on the double yellow lines between the hours of 8am - 9am & 3pm - 4pm on either side of the school. It poses a serious risk to children accessing school. Staff are around to monitor and remind parents so please be respectful if they approach you.
