

Design and Technology

In DT we will be designing a vegetarian pizza wrap. First, we will learn what it means by vegetarian and how to make a pizza wrap. Then we will look at different vegetarian toppings and design our own pizza wrap.

Music

In music we will reflect, rewind and replay the learning we have focused on over the year and we will continue to develop our understanding of appraising the songs we have learnt.

PE

In PE we will be developing our skills to move at speed in a variety of ways, ensuring we can change direction effectively. We will learn athletic skills including jumping, running and throwing techniques.

RE

In R.E., your child will be learning what key objects, features or symbols tell us about beliefs in God, humans and the world around them and how these are used in practise - ie what impact they have on the community.

Science

In science we will be learning about animals, including humans. We will focus on groups of animals and different animal classes and naming different parts of the human body.

What we are learning:

The topic for this half term is based on history and is called 'Global Citizens'.

Key vocabulary

earn, wage, salary, spend, need, want, essentials, afford, choice, spend, change, charity

Enquiry Question

Money doesn't grow on trees. Where does it come from? Who does it go to?

Literacy and Communication

In English, your child will be reading the book '10 Things I can do to Help my World' by Melanie Walsh. We will be learning about finding information in non-fiction books and creating a persuasive poster. We will also take part in a debate about Charities that help our world. We will continue developing our phonic skills by following the Monster Phonics programme.

Home Learning Opportunities:

Home reading is essential to developing your child's reading. Please encourage your child to take part in the 10 minutes a day reading challenge.

Please remember to record each time your child reads in their home reading record so we can put their name in the draw for the chance to win a reading prize. Any questions about home reading, please come and let us know.

Thank you for your support.

Physical, Emotional Health and Well Being

Your child will be learning to recognise what makes them special and unique and how to keep safe. We will discuss what make them who they are, including their likes and dislikes. We will learn ways to keep ourselves safe on a daily basis, including reason for rules and keeping safe on the internet.

Financial Education

Your child will focus on where money comes from and consider the ways money can be used for different purposes. We will also learn the variety of ways money can be saved. Finally looking at what charities are and where the money goes to if it is given to charity.

GLOBAL CITIZENS

Maths

In Year 1, your child will be learning about fractions. They will learn to find a half and a quarter of objects and amounts. The children will also learn about money.

In year 2,
