

## **Meet the teacher!**

Dear parents

Welcome back to a new academic year.

I know some of you will already know your child's teacher from last year or have had a conversation already, but we would like to put aside half an hour next week for your teacher to be available for you to pop in, ask any questions, pass on information about your child or just say hello. You can also collect this term's learning map, so you can support at home and this term's events calendar for planning ahead.

We will have the more formal open evenings across the year where you will be able to talk on a one to one about your child's progress and see your child's work.

We believe that parental collaboration is key for your child's progress and development.
