

Welcome to our Newsletter!

Dear Parent/Guardian

Mellors Catering Services provide school lunches at Elliston Primary Academy, we always ensure children eat the right balance of nutritious, tasty foods to help their health and well-being. If your child has any special dietary requirements we have our own company Nutritionist therefore we can provide a menu to suit their needs.

We are very proud to exceed school food standards therefore each child gets the levels of energy and essential nutrients they need, only 1% of packed lunches meet these same standards.

Research shows that having a school meal means that your child is able to concentrate and behave better, they are encouraged to try a variety of foods, get at least two of the recommended 5-a-day fruit and vegetables, as well as having a choice of foods especially as some children are fussy eaters. Children in Reception, Year 1 and Year 2 receive free school meals and packed lunches if on day visits or trips out of school due to government funding.

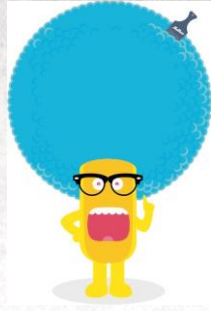

So let us take away the hassle and you can be reassured that your child is eating well
