Car Parking

Parking next to the school is strictly forbidden between the hours of **8am - 9am and 3pm - 4pm**. Also please remember not to pull up in the middle of the road to let your child out, this blocks the road and can be dangerous. Please also watch your speed - we are very conscious about teaching the children road safety but we have to be aware that any child may run out at any time onto the road and you need to be able to stop.

Thank you for reading with your child at home and encouraging them to bring their book bags everyday.
