

October 2022

New staff member

We would like to introduce Mrs Hughes, our new kitchen assistant to you. I am a mum to three children and a mummy to a shihtzu dog called Wilson, I enjoy taking Wilson on family walks, I also enjoy going away on family holidays. My favourite thing to eat is chocolate which is not really a good thing. I am really happy to be joining Elliston school and looking forward to getting to know everyone.

Sumer Fayre

Thank you to everyone for your support at our summer fayre. We raised £1135.15! Elliston will be donating £135 to the Autistic Society.

Nail polish

We now have nail polish remover in school to use if children come to school wearing nail polish. Should you object to school staff removing the polish please endeavour to make sure your children remove it before coming to school and let staff know.

Freebie Friday

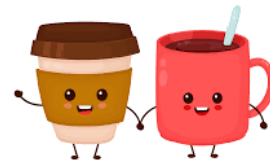

I hope you are all enjoying our Freebie Fridays. Where possible money raised by yourselves are reinvested in to our community. The next Freebie Friday will be **Friday 21st October** where we will be giving away handwash.

Pupil Council

We have a new Pupil Council who are working with staff to make our school even more amazing than it is already. They have decided that their first project is to tidy up the environment. This includes the hall floor at lunch, corridors and classrooms during the day and litter in the playground. We are very proud of their dedication to excellence!!

Class Assemblies

Some of our class assemblies are taking place after half term. Parents are now welcome to attend. Parents can arrive from 9am, refreshments will be available.

Tuesday 7th November - Jaguar
Tuesday 15th November - Puma
Tuesday 22nd November - Leopard
Tuesday 29th November - Lynx
