

Date 18th October 2022

Dear parent/carer

Post covid, we are in a better position to re-launch our 'reading at home' focus.

We are excited to announce that all children, up to, and including year 4, without an Elliston school book bag will be given one, free of charge. If your child already has one, but it needs replacing, then please come to the office to collect a new one.

We would expect to see book bags returned daily after having read with your child for the recommended 10 minutes a day. These will also enable children to keep their spellings and high frequency words safe.

I have recently carried out a Reading session for parents and if you would like to put your name down for the next one at the office then we will be in touch.

We also record home reading in school and each time children read, their name gets put into a draw where each half term somebody from each class is drawn from the names and they receive a brand new book.

Remember!
Reading is the key to unlocking achievement
