Dear Parent / Carers

As you are all aware the children have been accessing home learning via Microsoft Teams. This will continue for the children not in school and learning will be uploaded daily. It is important to log in to see new learning. We are making a small change to the groups that the children will be in. From Monday 15th June, the children will no longer be in class groups but will be in a group according to their year group. We will have a year 3 Teams group and a Year 4 Teams group.

There will be no change to the username and passwords and children just log in as they have been doing. We are making this change so we can ensure all children receive learning specific to their current year group and begin to prepare them for moving up to the next year group in September. If you have any questions, or are still having difficulty logging in, please do not hesitate to contact the school office and we can support with any problems.
