

Elliston Primary Academy - The Elliston Experience

An addition to the
Academic Curriculum
Offer

Inspired by; A belief that
Elliston children are entitled to
experiences and knowledge
determined by their community and
place in the world

Driven by the
needs of OUR
CHILDREN

Preferred Future: *key experiences for our children upon which to build a secure knowledge of the immediate world around them*

We want the school experience for Elliston children to be unique to THEM and their location. This offer is driven by the questions.' What do we want our children growing up in Cleethorpes to know about THEIR world?' and 'What fun experiences should OUR children be exposed to'?

Impact: Taking a Learning Journey at Elliston Primary Academy involves experiences beyond the National Curriculum. An Entitlement package for all.

- *Experience of the important elements of living in the area they do - geographically and historically*
- *Shared experiences give opportunities to develop vocabulary and language skills*
- *An opportunity to inspire future interests and skills - e.g. an interest in drama (Pantomime), a career with animals (zoo) or an aptitude for sports (ice-skating)*
- *An opportunity that for some children they would never have otherwise*

Elliston Primary Academy - The Elliston Experience

Year Group Experiences

Y6	Annual trip to London, bus tour plus London Eye
Y5/6	Humber Bridge Walk
	Time Trap Museum in Grimsby Town Hall
Y3/4	Fishing Heritage Centre visit
Y3	Annual participation in the Remembrance Service at Cleethorpes Cenotaph organised by The Royal Navy

We believe in reading for pleasure

Every World Book Day, each Elliston pupil gets a reading book as a gift from school.

We have a Great Elliston Booklist featuring Recommended Reads for each year group.

Little Free Libraries available for children, parents and staff

We believe in learning about people

Every half term Elliston pupils learn about key figures - past and present, from the world of Sport, Politics, Science and Entertainment etc.

We believe in being mentally healthy

Mental Health awareness is threaded throughout the curriculum for all phases

We believe in communicate for inclusivity

All our pupils will learn aspects of British Sign Language

Sports Opportunities funded by Sports Premium

Giving children a chance to experience a range of sports in the local area which may lead to them signing up for activities outside of school

Opportunity for school staff to recognise talent which may not be explicit in PE lessons

Opportunity to experience activities beyond the local area

Y5/6	Archery - local
Y5/6	Institute of Sport - Sheffield
Y3/4	Ice Skating - local
Y3/4	Escape - Castleford
Y1/2	Rock City - Hull
Y1/2	Tennis - local
FS2	Twist and Flip - Gymnastics, local
FS1	Twist and Flip - Gymnastics, local

We believe learning to swim is imperative so Elliston children have swimming lessons in Y3 and Y5 in addition to the statutory sessions in Y4.
