

## Elliston Primary Academy - The Elliston Experience

An addition to the  
Academic Curriculum  
Offer

Inspired by; A belief that  
Elliston children are entitled to  
experiences and knowledge  
determined by their community and  
place in the world

Driven by the  
needs of OUR  
CHILDREN

**Preferred Future:** *key experiences for our children upon which to build a secure knowledge of the immediate world around them*

*We want the school experience for Elliston children to be unique to THEM and their location. This offer is driven by the questions.' What do we want our children growing up in Cleethorpes to know about THEIR world?' and 'What fun experiences should OUR children be exposed to'?*

**Impact:** Taking a Learning Journey at Elliston Primary Academy involves experiences beyond the National Curriculum. An Entitlement package for all.

- *Experience of the important elements of living in the area they do - geographically and historically*
- *Shared experiences give opportunities to develop vocabulary and language skills*
- *An opportunity to inspire future interests and skills - e.g. an interest in drama (Pantomime), a career with animals (zoo) or an aptitude for sports (tennis)*
- *An opportunity that for some children they would never have otherwise*

Every World Book Day, all pupils get a reading book as a gift. The Great Elliston Booklist features Recommended Reads for each year group. FS are invited to an after-school Bedtime Read with a free book

### We believe in learning via People Day

Each half term, pupils learn about key figures – past and present, who are successful in their field

### We believe in being mentally healthy

Mental Health awareness is threaded through the curriculum. Mid-Week Me Time is a given for all – a chance to learn how to support own mental health

### We believe in being looking after our teeth

Every child in FS receives a toothbrush and toothpaste every year. We have an annual visit from a dentist

### We believe in communication for all

Staff and pupils learn aspects of Makaton.

### We believe in safety on the roads

Every child and adults who joins Team Elliston receive a free bike helmet

## Sports Opportunities

Children are given a chance to experience a range of sports which may lead to them signing up for activities outside of school or inspire further interest

Staff have opportunities to recognise talent which may not be explicit in PE lessons.
